

Wedding Photography Collection Pricing At A Glance

The Big Day: \$2250

10 Hours

You will get photographic coverage of your special day as well as one-on-one planning time with your photographer. You'll also receive a fully edited gallery of images from the day.

A Memory Creating Experience: \$3500

14 Hours

**Includes Associate Photographer & Engagement Session*

You will get full photographic coverage of your special day as well as an associate photographer who will help make sure you get photos of both the bride and groom getting ready, even if you are in different locations. The associate photographer can also get coverage of your guests during cocktail hour, while the lead photographer works with you to get beautiful portraits of the bride and groom. This package also includes a customized engagement session. You'll receive a fully edited gallery of the engagement session and your wedding day as well as a fine art album.
