FOOD TRUCKS & THE PLAZA

Our large outdoor plaza is equipped with electrical hookups to accommodate the growing trend of food truck catering. If you prefer to bring in your own food or a different caterer, you will have access to our warming kitchen.

The back patio offers a more intimate feel, and can be warmed by the stone fireplace. There is combined total seating for 80 at our outdoor square cafe tables.

And since you can drive onto the front plaza, you are able to create a picture perfect exit.

SODA BAR AND OTHER BEVERAGES

Let us make you a unique specialty drink based on your own personal taste and style.

Or utilize our fully stocked soda bar with fountain drinks from specialty organic sodas to Pepsi and Coke products, along with a wide variety of syrups to make any drink you and your guests could want. We also offer fully customizable hot chocolate, flavored milks, and floats.

You are also welcome to provide an alcohol service for an additional fee of \$300.

INCLUDED

Reclaimed wood tables and metal chairs with seating for 96-140, based on our standard seating, and you can arrange them in any configuration. Access to sound system, microphones, 55 in monitor, vases, candle sticks and more chairs as needed. We can seat 202 with all our tables out. For ceremony seating we have a capacity of 250.

ABOUT OUR VENUE

Grove Station was designed to transport you back in time to a beautiful, spacious train terminal with a mix of vintage and industrial finishes that are the perfect backdrop for any event. The high, open space of the main hall has full length windows on three sides and 9 ft tall accoridian doors on each end. This creates a seamless transition from outside to inside. With intentionally minimalistic and timeless finishes, our venue can be decorated to perfectly suit your individual style.
