# TO BOOK YOUR WEDDING!

- A completed bridal contract along with a 50% retainer for all makeup services is required to reserve your wedding date (this includes bridal party members, mothers, personal attendants, flower girls, etc)
- Once both the contract and retainer are received, your date is officially booked. You will then be sent a welcome package full of helpful information as we move forward!
- If you are booking over a year out and haven't firmed up your bridal party yet - there is an alternative option for you to book! Let's connect to discuss it more!
- Booking minimums: For all weddings on a Friday or Saturday (May - October) there is a service minimum of 4 (Bride + 3).
- Just as an FYI - contracts and retainers expire 48 hours after being sent out. Please note that per the contract, retainers are non-refundable.

- Any packages booked that include engagement photo makeup, please note that Amy has very limited if any Sunday availability in 2023.
- Any locations that include travel over 2 hours will require a hotel room be provided the night before.
- Any bridal parties with more than 8 services (and based on the getting ready timeline) may require a second artist. This will include additional artist fee's that are noted in the bridal makeup contract.
- Trials are scheduled 6-8 weeks out from your wedding and are held on Tuesdays at Amy's studio in Hudson. They are unable to be scheduled Friday- Sunday due to being fully booked with weddings.
- Comprehensive and personalized makeup schedules are put together and sent to the bride following the makeup trial.
- Want a personalized list of bridal makeup products used at your preview? Just ask!
- For the day of the wedding: Brides can expect makeup to take 40-45 minutes. Bridal party members around 35 minutes.
