WILSON

*It's so nice to
meet you!*

**This is who will be running around with a camera
your entire wedding day, capturing
every moment for you to remember.**

More than video clips thrown together to music.

PERSONALIZED

No two couples are the same; no two weddings are the same; no two films I create are the same.

TIMELESS

I want you to sit down and get excited watching your wedding film 5, 10 and 25 years from now.

FOREVER ON FILM

The magic of video is that it doesn't allow you to remember your wedding day; it allows you to relive it. From your first look to your first kiss as a married couple, you'll be transported back to the biggest day of your life.

Are you looking for a videographer AND photographer?

Katie Mary Photography and I have teamed up to offer couples an amazing bundle package for \$6500!

If you hire both of us to capture your big day, I will offer all the items in my Cinematic Package PLUS:

- A complimentary video/photo engagement session
(Katie will join us for photography)
- Access to all raw, unedited video files!

Katie will also be at your wedding for 8 hours, taking incredible photos of the entire day, and offers access to all digital files.

Subject To Katie and Nathaniel's individual availability. You will need to book and pay us separately (\$3250 each, sales tax not included).

“Nathaniel was such a blessing to work with. I seriously cannot watch [our film] without crying like a baby every time.”

- JULIA & ZACH

A large, artistic photograph occupies the left half of the page. It features the silhouette of a bride in profile, facing right. She is wearing a wedding veil and has her hair styled in an updo. She is looking out of a window, where horizontal blinds are visible at the top. The light from the window creates a soft, golden glow around her silhouette.

MY PROCESS

01 | CONNECT & BOOK

If it seems like we'll be a good fit, let's sign a contract and get your date in the books! I will collect your deposit, then we get to work.

02 | TIMELINE & PLANNING

I want to help your wedding day go as smoothly as possible. That's why we will have a consultation 4-6 weeks before the big day to review your timeline and I'll offer any suggestions if needed. This is where we'll also discuss any thoughts or ideas you two have about your film!

03 | THE WEDDING

The day is finally here! I'll arrive at the agreed-upon time, say "hi", then immediately get to work capturing every moment.

04 | DELIVERY

No later than 6 weeks after your wedding day, you will have a link to watch your film waiting in your inbox! I will then send you a link to download your film. If a video book is a part of your package, that will be shipped to you shortly after.

Have questions?
I have answers.

FAQ

WHAT THE HECK IS A VIDEO BOOK?

It looks like a photo album, but when you open it up, you see a screen and your wedding film begins playing. So long, USB drives!

CAN YOU USE THIS ED SHEERAN SONG I LIKE?

Unless you have thousands of dollars to pay the licensing fee, I cannot. However, I have access to a vast music library, so I guarantee I can find any music that fits your taste.

CAN I ADD ON TO MY PACKAGE?

Yes! Items listed in the Cinematic and Timeless packages are available as a-la-carte items.

CAN I SPLIT UP MY PAYMENT?

Yes! As long as the balance is paid in full by the date of your wedding, we can work out a payment plan.

WHAT IS RAW FOOTAGE? HOW WILL I GET IT?

It is the clips I shoot straight out of my camera, unedited. If included in your package, any raw footage you want will be sent to you via Dropbox after your film is completed.

DO YOU CHARGE TRAVEL FEES?

For the Black Hills area and weddings within 3 hours driving time from Rapid City, there are no travel fees! All other weddings will be subject to travel costs/reimbursements based on their distance from Rapid City.

DO YOU SHARE YOUR COUPLES' FILMS ON SOCIAL MEDIA?

Absolutely, but only after you watch it first and tell me you love it.

WHAT ABOUT ELOPEMENTS AND MICRO-WEEDINGS?

Sign me up! If this is the direction you're going, let's chat and go over the details. I'll create a customized quote for you.

“Nathaniel made our wedding video reflect who we are as a couple and outlined every special moment. He was amazing to work with and I could not have asked for a better videographer.”

- KERRI & CALDER

01 | EMAIL ME

I'll get some basic information from you about your wedding day and let you know if I have your date available!

02 | WE'LL TALK

Any questions you have, I want to answer. I want to make sure that we will be a good fit working together.

03 | CHOOSE A PACKAGE

Just let me know which one you want and if you want to add anything to it!

I have an a-la-carte price sheet available upon request.

04 | SIGN & PAY

I'll send you a contract and invoice via Honeybook.
The deposit is due 3 weeks after I send you the contract.

05 | IT'S OFFICIAL!

Your search for a wedding videographer is over.
I will be in touch once we get closer
to your wedding to discuss all the details,
but you can get a hold of me at any time, for any reason.

THANK

YOU

*I can't wait to
film your
wedding.*

**Just being considered as your wedding
videographer is a tremendous honor. I'm
available if you need any more information.**
