Here's what my clients have to say...

"With David you get a more personal and authentic experience."

David is an extremely talented musician—a true modern day music man. We had a fairly specific vision for our 2-day wedding up the coast past Fort Bragg. We had several meetings with David leading up to the event and David nailed every aspect of it. From acoustic guitar at the rehearsal dinner, to the dance party DJ session—he crushed it. The music was the perfect compliment to each event of the wedding. We could not have asked for a more delightful, talented or authentic musician. With David you get an experience that is much more personal and authentic than any other providers I interviewed during the planning processby far. A gem!

— *Kendal S. (Bride)*

"David Trevors was a fantastic team player!"

David was an amazing addition to our wedding. He coordinated everything and worked well with the event planner and rest of the team. We were thrilled with his performance, and delighted that he was able to learn one of our "special songs" last minute.

— *Nathan B. (Groom)*

"David helped make our wedding extremely special."

David provided excellent service—from the flow of the wedding and MC services, to his guitar playing and DJing. He was professional and made much appreciated suggestions. I would highly recommend his services! — *Kathy R. (Bride)*

"David Trevors is a Top Notch performer!"

David Trevors is a true treasure! He came highly recommended by a friend who had him perform at their wedding. David was professional and is extremely talented. I highly recommend him for any event.

— *Amber C. (Bride)*

A man in a dark suit, white shirt, and a grey fedora-style hat is sitting and playing an acoustic guitar. He is outdoors, with a light-colored building and greenery in the background. Other people are visible in the background, some standing and some walking. The scene is set in a garden or courtyard area.

“David helped to make it the intimate elopement we were looking for.”

We can't thank David enough for being a part of our special day—the acoustic guitar and beautiful singing really helped make it the intimate elopement we were looking for. We don't talk about our wedding without bringing up his part in it. Truly memorable.

— *Summer & Kyle*

“David wowed all our guests.”

David played beautiful acoustic guitar for our wedding, and wowed all our guests! He is punctual, professional, and creative. His range is amazing, everything from classics to top 40 with his own flair. We chose his version of “Here Comes the Sun” for our processional and it was absolutely tender and touching! My guests are still commenting on how perfectly he set the mood and entertained! — *Rebecca B. Hayward*

“David is exceptionally reliable & will elevate the experience for your guests.”

David was AMAZING as my beach wedding solo instrumental guitarist!! He helped select the perfect songs to compliment my ceremony and cocktail music while relaxing on Montara State Beach. He coordinated with my wedding planner and arrived early to set-up battery powered amplified speakers. His guitar playing is exceptional and you can trust his judgment of appropriate music for the occasion.

He is exceptionally reliable and will definitely elevate any experience for your guests – we keep getting rave reviews about David and his music – THANK YOU again! — *Abbie Montara*

“Everyone commented on how his music made the event even more special.”

David played for our 10th anniversary at a fine dining restaurant in Hayward during the appetizers and wine preamble, and throughout the dinner. I'd suggested a few songs/themes and he definitely delivered (classical, Beatles, bossa nova, etc.) He was prompt and easy to work with. Everyone commented on how he and his music added to the ambiance and made the event even more special. Get him before he gets famous! — *Norman, CA*
