# A Word from our CEO

Positioning your brand as the front-runner in your industry is becoming an increasingly difficult endeavor. So how do you elevate your brand above all your competitors?

As a Wedding Photographer for 20+ years, photo booths were always a hit at any events. When I was looking for ways to upscale my photography business, photo booths was a no brainer for me. I've seen lots of weddings & events; I've seen good and bad photo booths. I knew I wanted to provide a different experience for guests and take it to a new level. We pride ourselves in providing the best experience possible for our clients.

# FAQs

---

## **WHY GET A PHOTO BOOTH?**

---

Photo booths truly make events fun and engaging for all attendees, as well as capture moments and emotions in the night that otherwise would be lost. That being said, not all Photo booth companies provide the same experience.

## **WHAT IS AN “OPEN-AIR” PHOTO BOOTH, AND WHY DO PEOPLE LOVE IT?**

---

Events Media SE is a leading modern open-air photo booth service. Unlike old-fashioned boxy booths with curtains (think passport booths or airport), an “open-air concept” booth allows your guests to see all the laughter happening and be enticed to join in.

An open style also keeps your options open to everything from beautifully posed group photos to unpredictable photo bombs. Witnessing the fun going on before your eyes is contagious!

## **WHAT MAKES EVENTS MEDIA SE/THE PARTY MIRROR PHOTOBOOTH COMPANY SO SPECIAL?**

---

We aim to impress you and your guests with the best photo booth experience available. Everything from our feature packed services, exciting props, gorgeous backdrop selection and our friendly Booth Managers ensure a complete upscale experience every time. We aim to help create an ultimate experience with the client and provide extra services to make it a one-stop shop for your event.

## **WILL THERE BE AN ATTENDANT ON DUTY TO HELP OUR GUESTS?**

---

Yes! Our Friendly Booth Activators are highly trained in the art of modern photo-boothing to ensure an amazing experience. They will arrive 60-90 minutes before your time, set up and break down the photo booth, assist your guests with printing, emailing photos and GIF videos ready to be posted on social media. Our Booth Managers ensure everyone has a memorable experience at your event.

## **WHAT IS A PERSONALIZED PRINT DESIGN?**

---

We have many beautiful print design templates to choose from. You can personalize our current selection with any text or color theme you would like; just make sure you let us know. If you want to use your own logo or a fully custom template, be sure to notify us and we can work with you (additional charges may apply).

## **WHAT SIZE ARE YOUR PHOTO PRINTS?**

---

Our photo booth is capable of fantastic photo quality and prints out 4"x 6" photos.

# FAQs

---

## CAN YOU TAKE BLACK & WHITE PHOTOS?

---

Yes we can! Most events we print in beautiful color. For events that want the vintage and classic look of black and white, we **created our own modern black & white filters**. We have options for color, black & white, or both. Just make sure you let us know and we can do this for you.

## WHAT ARE THE SPACE, VENUE, AND POWER REQUIREMENTS FOR THE PHOTO BOOTH SET-UP? CAN IT BE SET UP OUTDOORS?

---

- Our booth space requires a minimum 10' x 10' area, a minimum height of 8 ft for the backdrop.
- A power outlet should be within 30 feet, and the ground must be level.
- We will also need a venue provided table for props.
- If you have an outdoor venue, a suitable shelter away from direct sun, rain, and wind will need to be provided.
- If your event is outdoors during daylight hours (8am - 5pm), please contact us and we will work with you.

## WHERE CAN GUESTS ACCESS THE PHOTOS AND HOW WILL I RECEIVE THE PHOTOS AFTER THE EVENT?

---

Within 48 hours after the event, your guests can access the event photos via our private website link. You will be able to download the whole gallery as well.
