DESCRIPTIONS

CEREMONY VIDEO

A video solely dedicated to showcasing your ceremony in its entirety from beginning to end.

This video cuts between all camera angles and is synced with the recorded audio.

No color grading included.

This will be delivered with your highlight film within 3 months after your wedding. (\$300)

TOAST & SPEECH VIDEO

A video of all the toasts and speeches that were shared on your wedding day.

Visual and audio recordings are synced together, all in one place for you to rewatch with ease.

No color grading included.

Delivered alongside your highlight film within 3 months after your wedding. (\$200)

TEASER VIDEO

A 45-60 second cinematic trailer of your wedding day that will be delivered within 2-3 weeks after your wedding.

A great clip that can be used to share your special day with family & friends on social media. (\$300)

RAWS

All unedited photos and/or footage captured on the wedding day will be delivered with your end product.

These files are 100% untouched, being right from the camera (\$250)

SNEAK PEEKS

All of our photography packages include at least 5 edited photos, chosen by our editor, delivered within 2-3 weeks.

We love to stir excitement while you are waiting in anticipation for your end product. These photos can be used as Thank You Cards and Social Media Announcements.

EXTENDED COVERAGE

Additional hour(s) added to your package to capture more of your wedding events.

Hours can be added to your package at any time, including on your wedding day & will be invoiced the following day. (\$200/Hour)

REHEARSAL DAY COVERAGE

Our team will attend your Rehearsal Day to capture the moments leading up to your wedding and will be added to your highlight film. (\$1,000/4 Hours)

HIGHLIGHT FILM

A story driven film that 'highlights' all of the events of your wedding.

This video will be edited, color-corrected, and set to music (songs chosen from MusicBed.com). The length and price of the film will be determined by the package chosen.

DRONE FOOTAGE

Aerial footage of your wedding venue/location, included in all videography packages.
(Note: Drone footage is pending availability due to weather and/or flight restrictions.)
