frequently asked questions

HOW DO I BOOK A WEDDING WITH YOU?

You can in one of two ways: call, or email me to schedule your consultation appointment. Consultation appointments are scheduled during the week, Monday - Thursday. During our meeting we'll go through all of the steps to book your wedding. This meeting can be in-person, & can last about an hour. My best advice is to schedule with me early, especially in the fall.

WHEN WILL I SEE MY PHOTOS?

Sneak peeks will be posted to social media within 72 hours of your session & wedding. Ten days after your session you will be emailed a link to your proofing gallery (engagement only). For the engagement, your personally chosen photos to be edited from your proofing gallery will be finished three to four weeks from when the proofing gallery expires. If you need photos sooner to meet a deadline, a \$85 fee will be applied. Wedding photos will take up to eight to twelve weeks to cull, fully edit & provide the final gallery to download.

WHAT IS THE DIFFERENCE BETWEEN THE PROOFING GALLERY & THE FINAL?

The proofing gallery consists of all the photos from your session culled down to the best of the best. Those images are not edited. From the proofing gallery you will choose your favorite images to be edited. The final gallery will only consist only of those images chosen from your proofing gallery.

ARE DIGITALS INCLUDED?

Digital photos are part of every wedding package. You will get your digital photos via a digital download PLUS on a USB drive so they're already archived for you in one way. You will receive multiple copies of my print release. This print release is for personal use only to reproduce your photos as many times as you wish to display around your home & office or give as gifts.

WHEN IS PAYMENT DUE?

Your retainer is 40% of the cost of the session fee is due at the time of booking. This is the only guarantee to hold your session date & time. The remaining balance is due one week prior to your wedding date.

WHAT TYPE OF PAYMENTS DO YOU TAKE?

You can pay with cash, check or credit card.

DO YOU RESCHEDULE IF THE WEATHER IS BAD?

Everyone knows in Ohio if you don't like the weather, "wait five minutes & it'll change" is not just a saying. Even two separate towns can experience separate weather conditions in the very same day. I shoot in light/spotty rain, light wind, even snow - those type of conditions make for some dynamic photos. The week of your engagement session I watch the weather every day & we'll stay in touch. If the conditions are very unfavorable for your session we can reschedule as long as another date/time is available.

DO YOU OFFER REFERRAL BONUSES?

Absolutely! You have the chance to earn some of the popular products; like the Luxe Album to a \$250 print/product credit, there is also a FREE one hour session, & even percentage off your product order up to 50% off. Referrals are required to book, pay for & complete a session or wedding. All referrals earn a \$50 print/product credit off to spend, if they are booking a photo session OR \$200 off their wedding package.

A romantic couple is shown in a snowy forest. The woman, with long blonde hair and a pink headband, is wearing a shimmering gold sequined top and blue jeans. She is sitting on the man's lap. The man, wearing a dark cap and a dark sweater, is holding her. They are both looking at each other. The background is a snowy forest with tall trees and soft, warm light filtering through the branches.
