## About CalUp

Seamlessly elevate your wedding experience with our user-friendly Digital Coordination solution. Personalized itineraries and real-time updates reduce stress and save time. Effortlessly guide your guests with pinpointed maps and enjoy social features like group chat and private photo sharing. Choose from DIY, CalUp Concierge, or collaborate with your wedding planner. Say "I DO" to a stress-free wedding.

## Which Service Is Right For Me?

If you are a tech forward couple and want to use CalUp on your own, then a CalUp subscription may be right for you. However, if you're busy or overwhelmed, and want a helping hand, CalUp Concierge can do all the setup and management work for you.
