a' la carte

Stick Video, \$200, 4k HD video camera on a monopod that is passed around from guest to guest throughout the night. This is much like the "old days" of putting a disposable camera on every table. You never know what you'll get!

Raw Video, \$400, unedited rolling video of the day, organized by camera source. This is generally for someone who wants to edit the footage themselves or just wants to see everything from every angle.

Rehersal Dinner, \$700, 4 hours coverage, 1 Videographer, 1 manned DSLR 4k HD camera, 1 unmanned 4k HD video camera

3 CDs, \$50

Travel \$150/night or as quoted
