CONGRATULATIONS ON YOUR ENGAGEMENT!

*You're getting married — Let's do this!*

I created the following guide to give you an overview of what it's like to work with me and to share more information about the collections and optional add-ons I offer. If you have any additional questions or concerns after reading through it, please don't hesitate to reach out via email.

First of all, a huge congratulations on finding your person! As a wedding photographer for incredible

couples like you, I'm honored and delighted that you'd consider me to play even a small, but important part, in your epic love story.

This time in your life is definitely exciting, but wedding planning can also be stressful and overwhelming. As a wedding photographer, I'm not just here to do a job—I'm here to act as a resource and advocate, supporting you both individually and as a couple.

### THE EXPERIENCE

A simple, stress-free process from initial inquiry to grand exit!

If you love the final photos I deliver but don't love the experience behind them, I haven't done my job! When you look at your wedding photos, I hope you'll fondly remember how well we worked together, and how comfortable you felt in front of the camera. I prioritize communication, connection, and clear expectations throughout the process, so you'll know exactly what to expect each step of the way, freeing you up to focus on the most important moments of your big day.

## THE PROCESS

# Let's break it down

### Step 1: Coffee Talk

After reading through this guide, the next step is to book a consultation with me (Zoom or in person) to discuss your needs, get to know each other, and chat about which collection is right for you.

### Step 2: Make Things Official!

If we're a good fit and you'd like to move forward, I'll send you some paperwork to make our partnership official. Once you submit it, your date is secured on my calendar and you can breathe a sigh of relief knowing we're going to make some wedding magic happen!

### Step 3: Get Prepped

During the weeks and months leading up to your wedding, I can act as a resource, offering vendor recommendations, tips and tricks, and more. If you choose a collection with an engagement session, we'll schedule it for a few months before your wedding. About 2 weeks before the wedding we will have a Zoom or in-person meeting to talk about the schedule and final details of the day.

### Step 4: Engagement Session

Sometimes, in the middle of wedding planning, all the details can make us forget that the real reason you're doing all this is to celebrate your love for one another. So let's take some time to spend a few hours doing JUST THAT! Your engagement session is also a great opportunity to get comfortable with me and my camera, and to practice taking pictures together. Plus, you can use the photos for Save the Dates, wedding websites, and more!

### Step 5: Cue the Wedding Bells - Let's Do This!

The big day has finally arrived. It's going to be amazing! I will arrive to you prepped on locations, lighting and details so that I'm ready to handle the whole shebang. Thanks to all the planning and prep we've done, you can simply relax and enjoy the moment while I do my thing! Your wedding day will go by so fast (I know from experience!), so make sure you take some time to enjoy even the littlest moments together.

### Step 6: Gallery Delivery

I'll send you a few sneak peek photos within a few days of your wedding to get you excited, then your full gallery will be delivered 6-8 weeks later. You can download and print them yourself, or I can create an heirloom-quality photo album for you. Pro tip: Plan a date night with your new spouse to look through the photos together and relive the joy of that day all over again!

## DAY OF DETAILS

# What to expect on your wedding day

The more thorough planning we do beforehand, the more you can go on 'autopilot' the day of your wedding and simply stay present! I've created a sample timeline below to help you visualize the flow of your wedding day as it pertains to photography. We'll chat about any unique needs/wishes you may have on your consult call, and then we'll go over your timeline together several weeks before your wedding to make sure we're on the same page and ready to go.
