# The Wedding Coordinator

Our Missouri Wedding Packages at Hermann Hill always include a Wedding Coordinator and Assistant Wedding Coordinator to make your planning process fun and easy.

Our clients have access to a wedding coordinator from the moment they choose Hermann Hill. Your "Wedding Best Friend" is available by phone, text, or email to answer any questions you may have. About eight months before the wedding, we schedule a planning session that lasts 3-4 hours. We go through every detail from rehearsal to the end of your reception. Bring us your ideas for design layouts, for the reception and ceremony as well as go over food and bar menus plus your Day-Of timeline. Around 3 months before, we start scheduling monthly to bi-weekly meetings (either on-site or virtual) to go over notes. One month before, we do weekly meetings and recommend an on-site visit to do a walk through. Wedding Coordinators also take care of making sure any outside vendors know the timeline and review all items that pertain to them about the couple's wedding day. They run the rehearsal, will be the first person to arrive at the venue on your wedding day and the last person to leave. So on the day of your wedding, this coordinator knows all about the couple, their friends and families, and has met with them several times. What we love most is working with our clients' ideas and creativity and we're certainly not offended if you decide not to use our recommendations. We will come up with more solutions!

If you don't see what you're looking for or you're on a smaller budget, please contact our Wedding Coordinator at (314) 800-3295 or text us at (573) 486-3008.

Normally, we are open on Sundays from 11-1 for walk-in appointments. We also do virtual and Face-time tours! Talk to one of our Wedding Coordinators today!
