# Alterations Price

Please be advised that the prices set out here are a guide only and will vary according to each gown. We therefore advise that you bring in your gown for a more accurate quote.

All other alterations not listed will be individually priced. The prices quoted are general and should be used for guidance only. Intricate complex or heavily beaded gowns will carry additional charges which will be advised at fitting. So you can get a perfect fit it is important you bring with you the underwear and shoes you will be wearing on the day.
