# Live Wedding Painting

## What You Get

Live Wedding painting is a truly unique and one of a kind experience. Not only does it wow and entertain your guests, but you get to have a masterpiece to always remember your wedding!

You can choose to have any moment during your ceremony or reception painted. I travel on-site to capture your special day on the canvas size of your choosing for you to cherish for a lifetime.

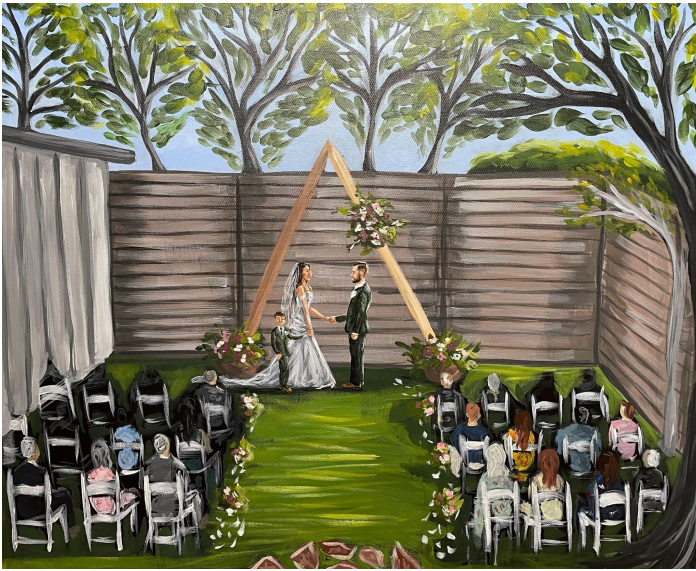

The average live painting time is 5- 8 hours depending on canvas size and timing of your event. I arrive early to set up & prep the canvas, then continue painting throughout the cocktail hour & reception so guests can watch and interact during the process. All paintings will be taken back and completed from my studio & shipped or hand delivered locally to the couple within 4 weeks after the wedding.

## After Wedding Refinement

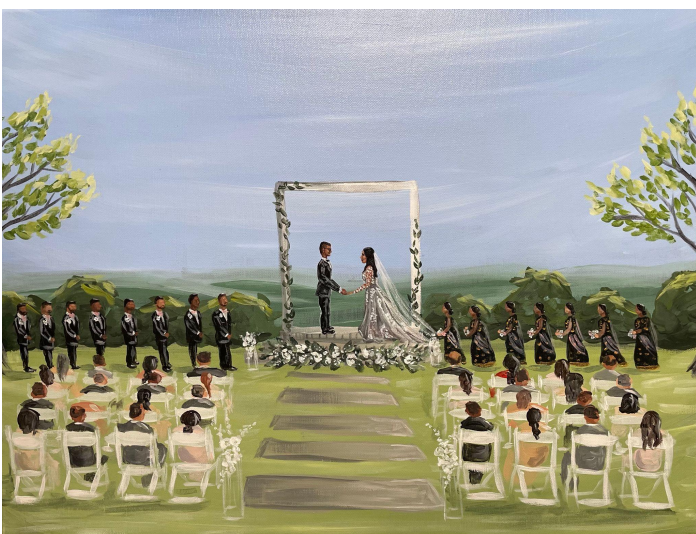

All paintings will be taken back to my studio to be finished. During this extra studio time, details will be refined and touch ups will be made to ensure client satisfaction. After the painting is complete, it will be varnished for protection and shipped or hand delivered safely to the couple.

## What You Get

Treat your guests like royalty by having them painted! Live Guest Painting is a truly unique and one of a kind experience. Not only does it wow and entertain your guests, but it also serves as a wedding favor for them to take home and cherish forever.

My watercolor sketch technique resembles fashion painting & focuses on the guest's attire, hair style/color, & skin tones. I use high quality waterproof artist pen, watercolor paint, and 6"x 8" cold-pressed, acid-free watercolor paper. I arrive early to set up and I bring everything I need.

## Average Paintings Per Hour

You can choose anywhere from 3 - 8 hours of painting time. On average each painting of two people takes 6 - 7 minutes. Taking into account transition time for guests & artist in between each painting, I can paint approximately 5 - 8 couples or 10 - 15 guests per hour.

**3 hours** - 30 - 45 guests

**4 hours** - 40 - 60 guests

**5 hours** - 50 - 75 guests

**6 hours** - 60 - 90 guests

**7 hours** - 70 - 105 guests

**8 hours** - 80 - 120 guests
