## 2023

### DAY OF BRIDAL SERVICES:

Bridal Makeup \$145

Bride's choice of either airbrush makeup or foundation makeup. We suggest airbrush makeup because it gives long-lasting coverage, no caking or rubbing off onto your clothes, and it has very a natural look on the skin. Graftobian is our favorite airbrush brand. Jane Iredale is our foundation brand.

Bridal Updo \$145

A style that consists of holding the hair in place using hairpins, braids, or bands.

Bridal Style \$125

A style consists of either curling or straightening to give a more natural look.

Lash Application. \$25

Adding lashes to your bridal makeup gives a polished and finished look.

Your eyes will pop in pictures! xo
