

Tanglewood Lodge

Honored to help make beautiful memories one event at a time

We are so happy to help you create an event celebrating such an exciting time in one's life. Please read on for package options we provide and reach out to us with any questions. Tanglewood Lodge is an old, nostalgic lodge that has a unique history and offers accessibility to the waters edge that no place on the lake can compare to. We are the only location on Beaver Lake that is in a private cove off the main channel and right next to the largest marina on the lake. Beautiful scenic viewing from anywhere on the property and wonderful lakeside and untouched nature for even the most outdoorsy couple. There are plenty of picture-perfect opportunities on the property allowing plenty of dynamic and dramatic backdrops perfect for capturing the great moments of the day. The property speaks for itself, so let us show you around with no pressure of commitment, meet our staff and see what Tanglewood can do for you. It is a place that sees a lot of familiar faces year after year, so even if this venue is not the one you choose, know that you're more than welcome to come back anytime!

We have several packages so that you can choose what is best for your party. We are thankful to be a very busy lodge, so being mindful of that, we have a top priority of making everyone on the premise feel welcomed. For that reason, we have put together (based on several years of experience) options that work best for everyone. For intimate, small weddings and elopements you will find additional money saving options for partial day rentals. If you end up having interest but still don't have a clue about what package suits you, then we can find a time to give you a property tour so you can make a more informed decision. We do not move forward with reserving anything until a walk through has been done. Call or txt Helen at 434-258-3396.

Partial day options

- Brunch time wedding (**ceremony only**) 11am-2pm with cleanup till 3pm 1,000.00
- Afternoon time wedding (**ceremony only**) 2pm-5pm with cleanup till 6pm 1,300.00
- Reception add-on – 500.00

Partial day events allow the lodge to continue to be operational with other lodge guests outside of the wedding party. Tanglewood Lodge is a destination location that brings a lot of family and boat traffic. Partial day event options are meant to be smaller events to ensure that disruptions from event persons or lodge guests to the opposite party are at a minimum. Events such as elopements, renewal ceremony's, engagements, anniversaries and others are a great fit for partial day packages. If you have a vision that is not listed, we are happy to try and work with you the best we can. Changes in rates may apply.

For intimate, partial day packages, there is a 15-person limit with 6.00 per person from 16-25 persons.

Note* Cleanup that continues past the allotted time will be charged 20.00 per 10 minutes due to the nature that there are other guests at the lodge that will also be using the premises. Vehicle access, boat docking on our beach and foot traffic are to be expected from registered lodge guests. Lodge staff does their very best in making other lodgers aware of the time frames of the event and ask for respect during those times so your party can be as content in your experience as possible. We have partial day options allotted during the minimum traffic hours of the day to offer the most convenience for the duration of your event. Room check-outs end around 11am and room check-ins start around 4pm, so a ceremony between these times have the best chance for as much seclusively as possible. For these two package options only, we ask that any persons not a guest staying in the lodge leave the property after the scheduled event time because extra vehicles crowd out other lodgers and boat parking. You are not obligated to rent a room(s) at the lodge in order to have your event. The lake is a beautiful backdrop for events, so if you are not staying as lodge guest and need bridal party quarters to get ready in, see the options below.

Full day options

- Alpha (12pm-10pm includes ceremony + reception + 1 hour tear down till 11:00pm) 3,000.00
- Arch (Alpha + choice of day/evening rehearsal 1 hour includes wedding arch) 3,150.00
- Crew (Alpha + day/evening rehearsal 1 hour + rehearsal dinner space 2 hours) 3,300.00

Full day options are also not required to rent any rooms overnight to book the venue, but due to the usually larger number of attendees and longer times allotted for the event, Tanglewood is required to restrict the entire lodge to event usage only. There will be no foreign traffic on the property which allows for plenty of parking and maneuvering space around the property that doesn't interfere with the ceremony. If the couple chooses to stay in the honeymoon suite and stay at the lodge, they also get the privilege of *customizing the lodge* to whom they want to stay (if any) and what guests find rooms off site. If they want the lodge all to themselves for the night and have solo range of the beautiful quiet lake lapping on the beach by night, enjoying the water by firepit light, then we ensure by the end of the event clean up time that guests will be on their way to their respected locations to allow the couple time to decompress.
