From start to finish they were so welcoming, professional, and easy to deal with, not to mention their prices were super competitive. We tried something like 7 or 8 different taco vendors for our wedding and TDJ was so clearly the best, it wasn't even close. The food is incredible, and they handled everything perfectly on their end. Thank you!!

They arrived when they said and cooked the tortillas fresh! As soon as they started my mouth was salivating with the aroma. A must have! Their pricing is as amazing as the food. Super affordable and delicious. If I ever have an event again, I will be using Don

Jorge tacos!" -Tiffany J
