## **The Total Package Designing Department**

*We are completely invested in your personalized wedding. We take pride in our attention to detail.*

**Pricing upon request (\$300.00 min.)**

**There's that moment, that very first moment, you walk into your venue and the excitement, emotions and the reality of your dream has come to life.**

-Have your guests experience the "WOW" factor when they walk into your wedding

-We have a large inventory to choose from and we love to create new things - First, we will chat through your vision and determine an overall look and/or theme.

-Then, we will build, design, and make changes until your vision is captured. -And finally, when it's done you can say how exciting and stress free your designing experience was.
