## WELCOME TO THE INVESTMENT PACKAGE

---

Congratulations on this exciting time of preparing for marriage! It's such a unique and sweet time, although I know it can be surrounded by a little bit of crazy when you're planning all of the many details.

My hope is for you to remember what it felt like to be in this amazingly sweet part of your journey to marriage, surrounded by the people you love the most and a celebration that will bring back memories for a lifetime.

At a wedding, each family has a story they're bringing, and at the end of this day, a new story has begun. I want you to be able to look back at these images for decades to come and remember a timeless, beautiful, meaningful story. A story that is filled with joy, sweet relationships, and hopefully a few good laughs. I want my couples to feel at ease in front of the camera, knowing I will help them feel and look their best from beginning to end. I aim to make photography an enjoyable part of the day - because, why should it not be?

I'm thrilled that you would consider having us by your side as you become husband and wife. After planning our own wedding around the availability of our wedding photographer, I know how important this decision is. Even after all this time, each day is still an adventure for us with its own unique story to tell. I'd love to be with you to tell yours.

XOXO,

*Latherine Horton*

## AND THIS WAS THEIR GREATEST FEAR:

*“What if I don’t love my  
photos? I only have one  
chance at this!”*

It’s a valid fear. You can’t re-do your wedding day! So, is it possible to be able to enjoy your wedding day, knowing for certain that you are going to love your images when all is said and done? Well, after over a decade photographing beautiful weddings for amazing KHP Couples, I can tell you that the answer to that question is “Yes.” You can know for sure that you’re in good hands... but it requires more than just booking a vendor. Keep reading to find out what how!

*Welcome!*  
I'm Katherine and I  
believe this is the  
beginning of  
something good!

I believe that wedding photography is done best when couples have a relationship with their photographer and fully trust them. This is how we have guaranteed and delivered incredible photography experiences to our KHP Couples the past 4 years! When I arrive on a wedding day, I need to feel like an old friend and not like a stranger. This affects every aspect of how your photos will turn out! Keep reading to get to know me and learn more about who I am beyond the camera.

*Let's be Friends*

## *Fun Facts*

Whether it's sky diving, bungee jumping, or something in between, I love adventure. If you're wanting something new and interesting to do with your photoshoot, we can put our heads together to come up with a cool location. Photography has been a "love language" of mine. I love being reminded of events or special moments in my life just by glancing over at my wall or camera role and physically seeing a change. I believe pictures can be a powerful reminder of God's faithfulness in our lives. I PRAY the pictures I get to take of you will allow you to reflect over time on WHO YOU ARE and HOW FAR you've come.

# Our Wedding

## EVERYONE HAS A WEDDING STORY

As magical as our day was, we had just about everything go perfectly wrong. Luke had a really bad bacterial infection that took over his body the day of our wedding. He had asked a couple of us to be praying for him the night before and that morning. By noon, his body was borderline septic with a 21,000+ white blood cell count, high fever, and vomiting. He was already on antibiotics for a recurring infection, but that day he required immediate IV antibiotics, fluids, and pain medicine that were strong enough to fight the strong growing bacteria. His doctors can not explain why bacteria grew like it did that day and why the antibiotic pills he was taking were not effective. They assured us that the “bacteria take over” was not stress-related and probably not caused by any injury, but it was just one of those “fluke things that can happen,” perhaps even from an earlier water skiing weekend at the river. But we believe in God’s sovereignty, so we know He was writing this story.

**LUKE WAS IN THE EMERGENCY ROOM ALL AFTERNOON. BY GOD'S GRACE AND BY THE GOD-GIVEN DETERMINED WILL POWER, LUKE MADE IT TO THE CHURCH 10 MINUTES BEFORE THE CEREMONY WITH THE FATHER OF THE BRIDE PUSHING THE WHEELCHAIR. THE GUYS IN THE FAMILY DRESSED HIM.**

Our family and friends did everything in their power to make that day happen- mostly prayer. Everyone brain-stormed bounced all kinds of ideas around. *Should they have the ceremony in the hospital & just live stream it at the church? Would there be a groom at all today? Would there be a wedding at all today?*

**SO MANY QUESTIONS** and about 100 different ways the rest of that day could go & yet **GOD** knew the whole time what was going to happen. In retrospect, this was our greatest peace. I have never in my life felt more desperate or helpless. I needed the Body of Christ to encourage me. I needed God’s Spirit to comfort me.

Earlier that afternoon, just moments before what was supposed to be our first look, Luke called me to tell me that he wasn’t going to make it for pictures and needed to go to the ER.

**ALL THE PLANNING SUDDENLY MEANT NOTHING. NONE OF IT MATTERED. ALL I WANTED WAS TO MARRY HIM. ALL I WANTED WAS FOR HIM TO BE OKAY.**

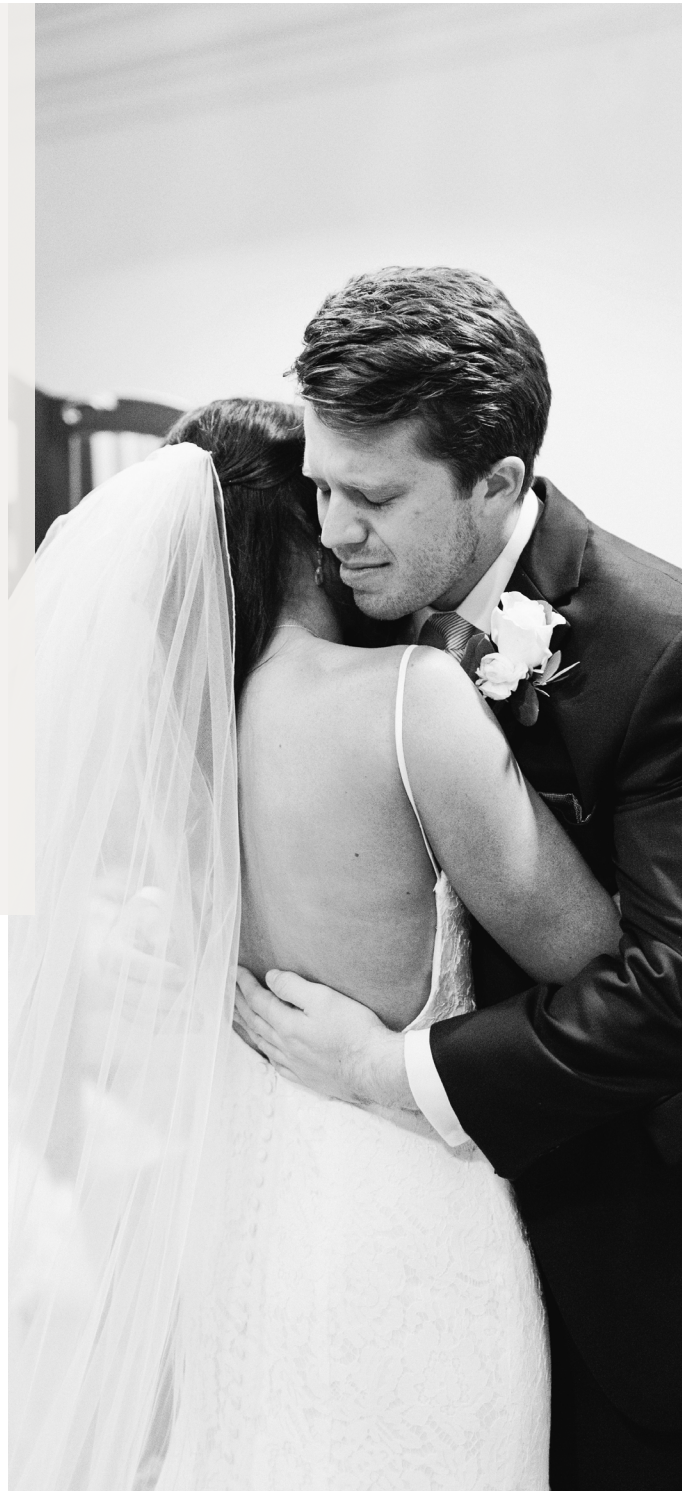

In the midst of all of this, I’ve never felt more protected or cherished than I did that day- by God, friends, and family. I believe everyone who was a part of our wedding day was hand-picked by God to be there. I also never could have imagined how cherished I could feel the moment I walked down the aisle to my suffering groom. How powerful! My groom suffered to marry me, just like Jesus suffered for his Bride. Luke has never looked more like Jesus to me than he did right then. We believe the circumstances of that day are exactly how God orchestrated it to glorify Himself.

## PICKING YOUR PHOTOGRAPHER IS A BIG DECISION.

Our Photographer saved the day and she even gave us the chance to re-take our wedding pictures a year later so that we could have some pictures of Luke not looking like he was high on pain medication. I know how important this decision is, and I am incredibly honored that you would consider me to be a part of your special day.

No matter what goes wrong/ right on your wedding day, it will be PERFECT for you two. So BASK in the flaws of this wedding and EMBRACE the joy of the ULTIMATE and final Wedding coming soon.

“Katherine!!!! These are absolutely incredible!! We are loving every single one!!! Every single one is incredible! We are so blessed to have found you. We really could not have imagined our wedding without you! You truly captured us so well! We love you!!”

### *Our Promise*

## YOU KNOW YOU WANT GREAT IMAGES....

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what we promise to give you. Over and over and over again, KHP Couples rave about their experience almost more than their images! Why? Because In order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. We have worked with so many KHP Couples over the last 4 years and I can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful and genuine client experiences is what we specialize in and we are excited to share more about what the KHP Experience Includes!

## *The Experience*

# What is included in our wedding experience and why:

We have structured our wedding experience very intentionally. Everything we offer and recommend is a strategic part of an overall experience that leads to what our KHP Couples ultimately desire: genuine, timeless and joyful images. Our most intentional aspects of the KH Wedding Experience include:

### **9 HOUR MINIMUM**

### **complimentary ENGAGEMENT SESSION**

*We include an engagement session complimentary because this is our opportunity to get to know you and empower you to feel comfortable in front of the camera.*

### **SECOND PHOTOGRAPHER**

*A second shooter is a non-negotiable part of our wedding experience! The KHP Wedding Experience wouldn't be complete without one!*

### *Envision this....*

Your wedding has happened. It was beautiful and everything you dreamed it would be. Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further and you invested in a family heirloom keepsake that tells the story of the day you began your life together as husband and wife. Your wedding is literally the beginning of your new family unit! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. Your future child will be in awe of these old pictures. Having a wedding album is as if you give your child a peek into a part of your story that they couldn't comprehend and it will be beautiful. Legacy albums aren't for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

# Frequently asked questions:

## WHAT IS OUR SHOOTING STYLE?

We love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

## ENGAGEMENT TRAVEL?

We are more than willing to travel for engagement sessions! We actually love it when our couples ask us to photograph them in a location that means something special to them! We book engagement sessions at least three months in advance and include 50 miles of travel.

## HOW MANY IMAGES CAN I EXPECT?

We average 75-100 final images per hour that we're actively shooting throughout the day. This estimate is normally on the lower side since we tend to be over-shooters. We love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work because that is what we would want if we were in your shoes!

# Thank You!

I'm so glad you contacted me! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!

*Xoxo, Katherine*
