## *Frequently Asked Questions*

**Q. How much does a wedding at Manor House and The Solarium cost?**

**A.** There are two factors in determining the cost – the food and beverage cost and the venue rental fee.

Our 2019 menu pricing starts at \$65 per person (exclusive of alcohol, service fee and sales tax) and includes:

- Customized menu
- Event waitstaff and bartenders
- Tables and chairs
- House linens
- Table settings
- Set up and break down of your event

We also have a venue rental fee that ranges between \$3,500 and \$7,500, depending on the spaces utilized, the month and the day of the week for your wedding. All that said, the pricing usually runs around \$150 per person for a Saturday evening wedding in the summer, with a minimum of 120 guests.

**Q. Are there cost savings for non-Saturday wedding dates in the summer?**

**A.** Yes, there are some cost savings for Friday and Sunday weddings during the popular summer season, and for off-season dates.

**Q. Is there a more casual venue available?**

**A.** Yes. We also have The Marketplace, that is ideal for groups of 60 guests for a banquet-style event or up to 75 guests for a stand-up cocktail and hors d'oeuvres event. The venue rental fee is \$1,500, plus food and beverage. Couples often use The Marketplace for receptions or rehearsal dinners.

**Q. When will pricing for 2020 weddings be announced?**

**A.** We have yet to finalize our 2020 menus and pricing, but we don't expect significant changes from the 2019 rates. Pricing may need to be adjusted slightly for events booked more than one year in advance, due to increased food and staffing costs.

**Q. Will our wedding be the only wedding during that day and time?**

**A.** Your wedding can be the only wedding during that day if you decide to rent the entire venue, regardless of the size of your guest list.
