HOW TO BOOK

- 1.** Let us know you're ready to reserve your date with us and which package you want to book. We'll double-check our calendar to make sure your date is still available.
- 2.** An online contract and invoice will be emailed to you for you to complete and sign at your earliest convenience. We know life is busy, so we give you 1 week to complete the booking process. The first payment is at least 25% of the package you choose.
- 3.** After signing your contract and making your first payment, your date is reserved at Ariel's!

BOOKING DETAILS

Sure about the venue, but unsure about the package? A date can be reserved by booking the Wedding Venue Package then upgraded at a later time.

For the Wedding Venue + Catering Package, we offer you the option of booking at your minimum guest count (minimum up to 50 guests) and increasing the number of guests when you've gotten a firmer number (due no later than 1 month before the wedding date).

Dates are only reserved with a signed contract and initial payment.

10% discount on wedding dates in December, January, & February // Holidays are weekend rates

PAYMENTS

After a contract is signed and first payment made, the next payments will be divided into 2-3 additional venue rental payments. The due dates will be listed on your contract. The last venue rental payment is due 1 month before the wedding date.

For weddings 4 months or less from the date, 50% of the package cost is due at booking. The remaining balance (50% of the package + any add-ons) is due 1 month before the wedding date.

Final headcounts are due no later than 1 month before the wedding date. If your final headcount is more than what you've been invoiced for, the invoice will be adjusted and your last payment(s) will increase accordingly.

A separate damage deposit of \$500 is due 2 weeks before the wedding date (this payment is fully refundable after the event if the venue is left without damage and venue policies were followed).
