

WEDDING AND PRIVATE EVENT PRICING

Pricing for weddings and private events depends on location and number of people attending.

For example, Bridge Cigar Shop is located in Naugatuck, CT. A wedding or event that requires a good amount of travel will cost more as gas prices are high with the economy. We will travel anywhere that you wish (in state or out of state) if we can.

A wedding or private event (the host is purchasing the cigars) starts at \$250. There is then a minimum required amount of cigars that Bridge Cigar requires depending on the size of the event.. For example, Bridge Cigar Shop may require \$250 minimum in cigars to be purchased. Any excess past \$250 will be the responsibility of the host. The total for that event would be \$500 minimum.

The best way to get accurate pricing is to contact Bridge Cigar Shop at 203-632-8039 or email Paul at markette35@gmail.com.

We guarantee your experience with us will be a positive one and your guests will talk about it for a long time!!
