Information & 2023 Pricelist

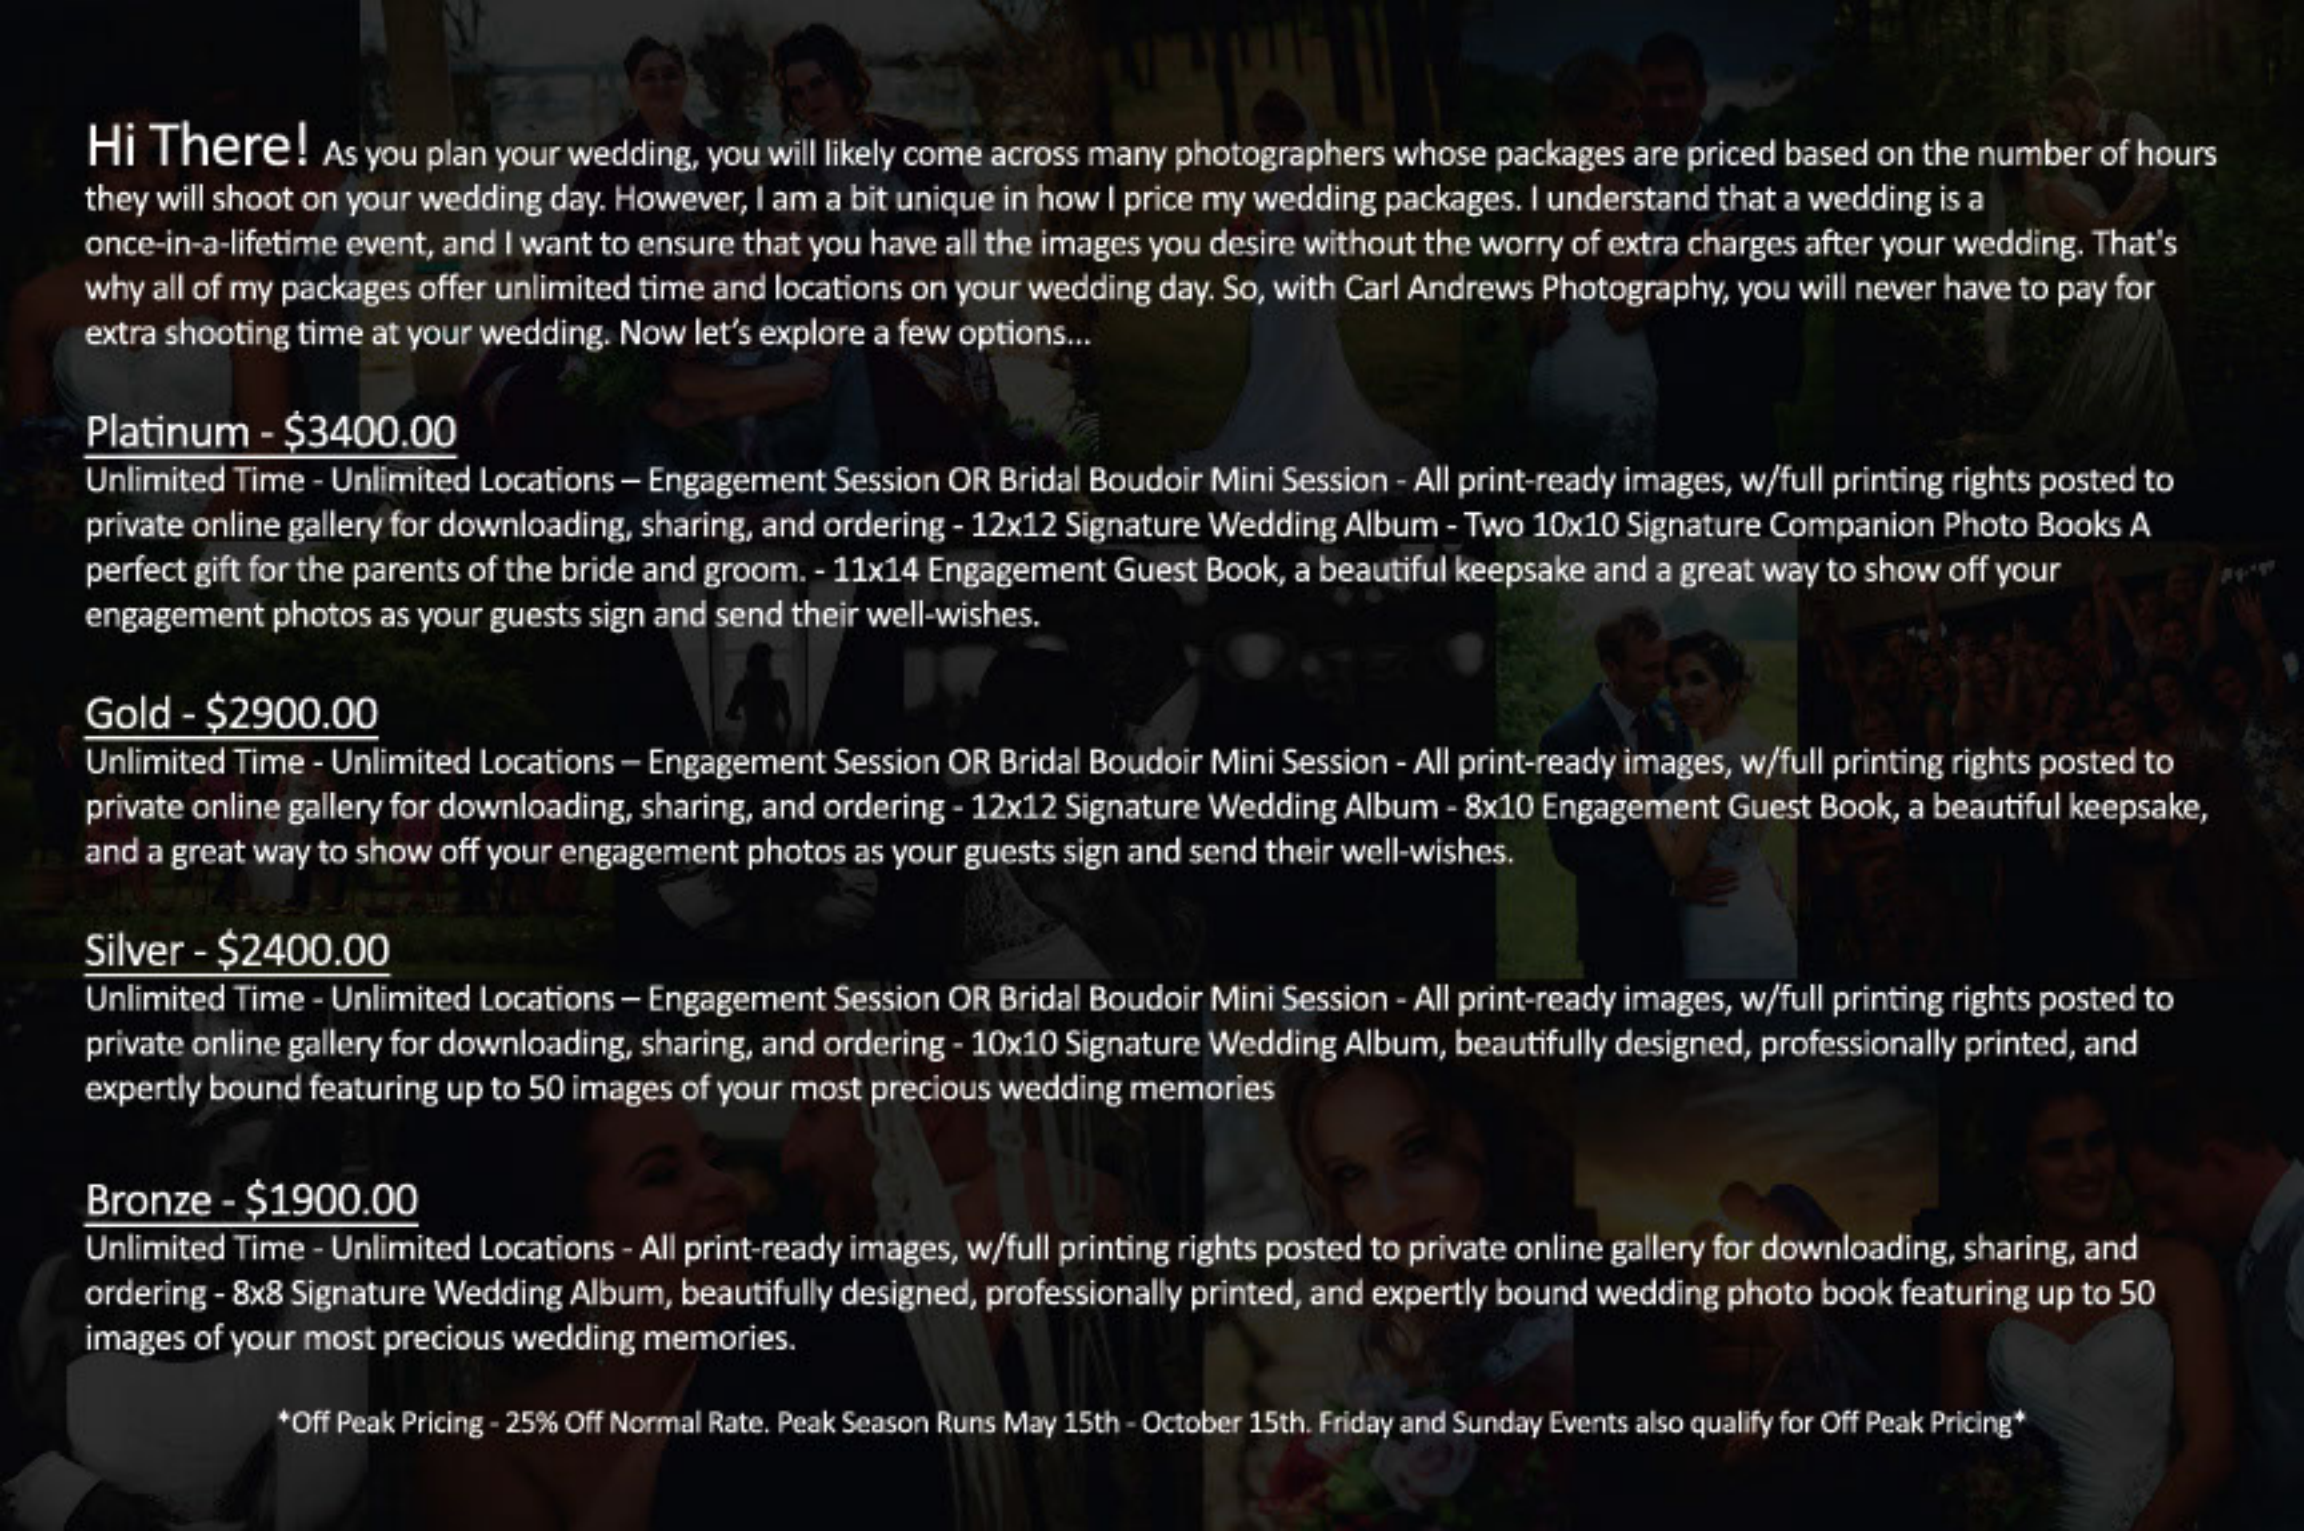

HÍ! I'm Carl. Your friendly neighborhood photo-guy! As an artist, I used to think of a wedding day as the perfect opportunity to unleash my creativity and showcase my personal artistic expression. Boy, was I wrong!

A wedding day is so much more than a mere photoshoot, it marks a day of many firsts and lasts. It is a day when parents witness their children all grown up, grandparents are filled with pride as they see their family tree expanding, and Childhood friends come together to reminisce about old times. Moreover, it is the day when two people, who have grown inseparable in love, commit to each other for life.

Therefore, my goal is to capture these stories and precious moments with artistic authenticity, not by manufacturing moments simply for the sake of the camera. I am honored to be invited into such an intimate celebration and entrusted with the responsibility of preserving these special moments, a privilege that I do not take lightly.

If you enjoy my work and would like me to capture your wedding day, I am currently booking for 2024, and I have a few open dates for 2023. Please contact me below for a free consultation, and let's see if we can work together to make your special day unforgettable.

## *How do I book my wedding?*

Your booking will start with a short meeting, either in-person (if within an hour of Lansing) or via Zoom, to discuss your wedding in detail and ensure we are a good fit for each other. Once we have settled on a package, you will receive an email to sign your event agreement and submit your deposit. Once your deposit and event agreement are received, your date is locked in.

## *What do you require for a deposit?*

All events require a \$500.00 minimum deposit. The balance of which is due no less than 14 days prior to your event.

## *Can I make payments?*

Absolutely. Your invoice stays open from the time of booking until final payment is due. You can go in at anytime and apply a payment to your invoice.

## *What forms of payment do you take?*

Credit, Debit, Venmo (@carlandrewsphoto) Cash, Check, or Money Order\*

\*Cash, Check, and Money Order Transactions must be completed in-person. (no mail)

## *Do you offer a second shooter?*

In **MOST** cases, a second shooter is completely unnecessary, and in some cases can actually be detrimental to the success of your wedding and images. I am able to keep my quality high and my prices affordable by shooting the majority of weddings solo. That said, if your wedding is of a scale and scope that a second shooter is necessary, I do have a network of trustworthy shooters that I can bring on for an additional charge.

## *Do you offer custom packages?*

Absolutely. \$1900.00 (the Bronze Package) is my base rate. However, I am happy to discuss and build a wedding package that suits your needs and budget thereafter.

## *When will our images be ready to view?*

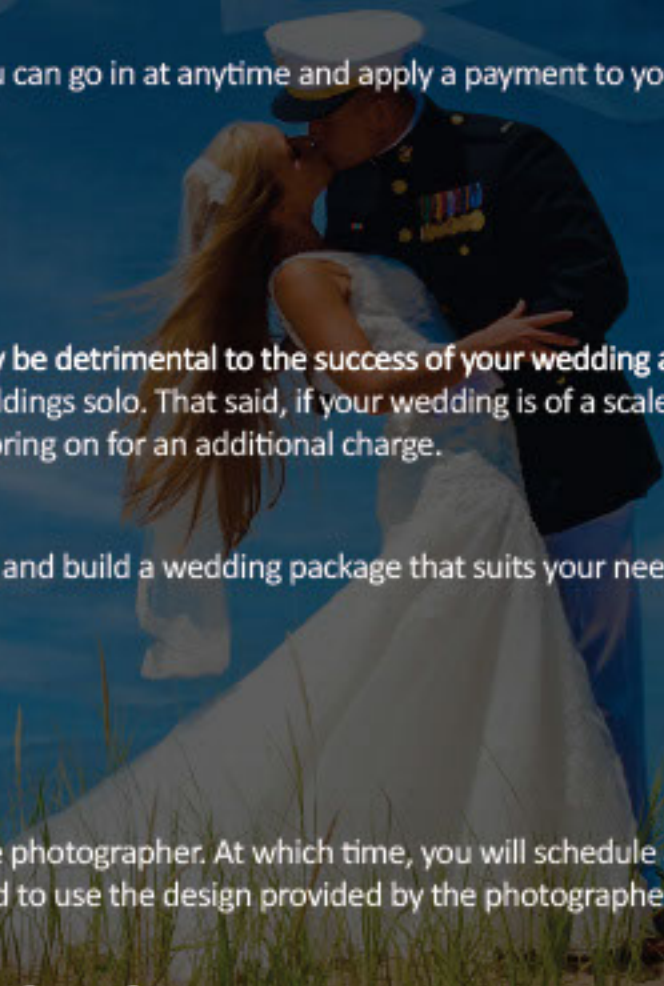

I guarantee your gallery will be up and ready to view within 30 days of your event.

## *How does the album design process work?*

With your image gallery, you will receive an initial album design with images curated by the photographer. At which time, you will schedule a meeting with the photographer to go over album options/additions/upgrades. You are not obligated to use the design provided by the photographer. It serves only as a jumping off point. You may customize the layout/images in any way you see fit.

## *How long will it take to receive my products once ordered?*

Photographic prints are typically delivered within a few days of order placement. Albums, Framed Portraits, and Wall Art can take 2-3 weeks depending on the complexity of production.
