FREQUENTLY ASKED QUESTIONS

WHAT IF I JUST WANT DAY-OF COORDINATION?

To best serve you, we prefer to work with our couples prior to your big day. We meet with you in the planning stage to gather information and details so that we can be the point person ensuring that everything goes smoothly. We are able to really get to know our couples, gather your vision & details for the big day, confirm times with all vendors, and help to create a timeline. Together we help finalize everything and ensure that your vision gets executed. Regardless if you are over a year to a few weeks out, we customize our packages to ensure every detail is covered for your needs.

MY [INSERT FAMILY MEMBER] IS PERFORMING THE CEREMONY. CAN YOU HELP WITH LOGISTICS?

More often than not, our couples choose to have a family member or friend officiate their wedding. We assist you & your officiant with etiquette tips, processional planning and are onsite for rehearsal.

WHERE DO YOU TRAVEL?

We have satellite offices in Northern Virginia, Central Florida and Atlanta. We typically cater to clients all over the world and everywhere in-between.

WHAT TYPE OF WEDDINGS DO YOU PLAN?

We believe that love is love. We cater to clients of all backgrounds & styles including civil ceremonies, destination weddings, elopements and same sex/LGBTQ. We work with clients of all religions.

MY VENUE HAS A SITE COORDINATOR. CAN I STILL BENEFIT FROM A WEDDING PLANNER?

Typically, venue coordinators have the job of overseeing the wedding details that are directly related to the venue & their staff. A wedding coordinator works only for you to make every aspect run smoothly, acts as a liaison to all your vendors, sends out a timeline prior, make sure you are having a great time celebrating and to ensure that your vision has become a reality. As a professional wedding planner, our services supplement the services offered by your venue coordinator.

DO YOU CHARGE AN HOURLY RATE, A FLAT RATE OR A PERCENTAGE OF OUR OVERALL WEDDING BUDGET?

We charge a flat rate for our customized all-inclusive packages. This includes travel fees, a second coordinator (if necessary) and everything outlined in your quote. Each package is unique to fit the couple's needs, their stage in planning & complexity of wedding details.

DO YOU OFFER DESIGN SERVICES?

Yes! We do help align your vision and budget with the best professionals & suppliers for you through rentals, linens, stationery & florals. We are happy to help with suggestions and referrals to bring your concept to life. On your wedding day we will be onsite to help with setup of decor.
