CUSTOM PACKAGING:

*If you don't see a package that fits your needs
then please let me know and we can build a custom package for you!*

What does the term "Second Shooter (optional)" mean?

*It means that I can provide a second shooter based on the needs of your wedding day.
Not every wedding needs a second shooter but they can be available and included if needed.*

FROM A BRIDE:

"Not only did I think Andy was a phenomenal photographer, but so many from my bridal party also commented on how fun he was. I knew that the pictures would be all I have to truly remember that special day, and Andy exceeded all of my expectations. I am so proud to show off my photographs – they are pure perfection!" - Emily Martinez

LOVE NOTES:

Andy did phenomenal on our wedding portraits! Be prepared for tons of jokes and laughs throughout your session. Also, he was super quick uploading our gallery. Ps you've probably seen our wedding picture on Pinterest. (All bc he is totally awesome) -Shannah Smith
