Custom Wedding Flower Pricing

Below are general price points for our wedding flower arrangements with our Full Service offerings. A \$5000 minimum investment is required (taxes & fees additional.) Our full service offerings include, but are not limited to, delivery, setup, on-site building of structures such as ceremony archways, pick up of rental items. Some factors that go into the price of an item include size of arrangement, flower varieties and style of container. After you review this document, contact us to schedule a brief phone consultation so we can give you pricing based on your wedding's specific needs, answer all your wedding flower questions, and determine next steps for your wedding flower planning.

Looking forward to hearing from you!

~ Jeri
