- Two separate venues on the 40 acre property: [the Barn](#) (rustic cedar style venue), and [the Lodge](#) (contemporary style venue).
- Tables and chairs for up to 150 guests (including setup) are included as part of your rental fee.
- Other rental items (linens, dishes, etc. would come from your caterer).
- You are welcome to bring in whomever you please for a DJ, cake, florals, photographer, etc., however the meal must be catered by one of our preferred vendors. The exception would be food trucks who have a self-sustaining kitchen of their own though service staff may be required if they don't provide that.
- Outside alcohol can be brought in at no fee, however we do require it to be served by a contracted and licensed bartender.
- Venue rental hours at the Barn are from 11:30am-11pm and at the Lodge from 11am-11pm.
- A one hour rehearsal is included as a part of your rental fee and usually occurs on the Thursday evening prior to your wedding, dependent on calendar availability
- The deposit is 50% which is due upon booking and the remainder is due 30 days prior to your wedding.
- We do require Wedsafe event insurance (\$185) and a King County banquet permit (\$12) in addition to the venue rental fee, both of which you will purchase directly from those vendors.
- Our optional services include Day of Coordination (\$1250) and a garbage pickup fee (\$350) for the end of your event.
- The closest hotels are 10 minutes away in downtown Issaquah (Springhill Suites is the most popular). Uber and Lyft do service our venue.
- Both venues have lights and chandeliers that are always up for décor and rustic wood log slices you can incorporate into your décor.
- We can accommodate an indoor ceremony in the event of rain (we flip from a ceremony to reception).
