

CAN I HOST JUST MY WEDDING CEREMONY ON-SITE?

The Museum of Science requires a food and beverage component for all our weddings on-site.

WHAT IS THE RAIN PLAN FOR AN OUTDOOR EVENT?

We can still host your event outdoors even if it is raining. We lend all guests golf-size umbrellas to get them out to the pavilion. Once in this area, your guests will be protected underneath our covered Washburn Pavilion & Tent.

IS THERE MORE THAN ONE WEDDING TAKING PLACE AT THE SAME TIME?

There could be! But the venue spaces are separate with their own bathrooms and dedicated event teams. We make our best effort to stagger the start times of all our events.

WHAT IS THE DEPOSIT SCHEDULE?

You will have two separate contracts. One with the Museum of Science, and one with Max Ultimate Food. Both require a separate 50% deposit at the time of booking.

IS THERE OFF-SEASON DISCOUNTED PRICING?

We do not have off-season pricing; however, we do offer a discounted rate for Sundays vs. Wednesday – Saturday.

IS THERE FREE PARKING FOR MY GUESTS?

Yes! We validate parking for all guests and vendors on wedding day.

ARE THERE ANY OTHER PERKS TO EVENT RENTAL?

Yes! A Basic 2 membership to the Museum, valid for one year. Please come back and explore our Exhibit Halls and all that we have to offer.

Blue Wing EXHIBIT HALLS

This true 'Night at the Museum' experience encloses three levels of galleries wrapped around a central open atrium. New England Habitats GREEN WING

Immerse your guests in New England's natural environment with these classic dioramas that add a scenic backdrop for any event or cocktail hour. See representations of the Katahdin woods, the Maine coast, Crane Beach, Wildcat Mountain, New Hampshire's Squam Lake, and the Green Mountains of Vermont.

Artist Francis Lee Jaques, famous for his ability to blend background paintings seamlessly with three-dimensional foregrounds, painted many of these along with several other Museum dioramas.
