[Email me](#) with your availability if you would like to schedule a free consultation to discuss the details over Zoom. I like to interact with couples face-to-face and get to know them.

In order to book, I require a deposit that is 25% of the total price.

Prices are subject to change based on equipment risk, personal risk, excessive consultations, additional equipment needs, charitable endeavors, needs-based discounts, etc.

I do not do lights, photo/video, pyrotechnics, fog, confetti, etc. I do music and audio.

Santiago Ramones LLC a single-member LLC, which means all price decisions are made based on what I can do as an individual. That also means all price decisions are made by a human being. While this is a business and not a charity, I can be a charitable person.

I'm also a composer and musician. [Email me](#) if you are interested in my composition or arranging services.
