

Married In Massachusetts Wedding Services

Let's Get To Know Each Other!

A free consultation, no-obligation opportunity to book a time in which we can get to know each other and discuss the various services I offer. Engage in conversation with ideas in how your wedding ceremony could happen and leave feeling fully informed on how I can help you. This service is free and I look forward to meeting you and your fiancé. I do offer Facetime and Google Duo so that we can become better acquainted with each other from the convenience of your home or office.

Full Wedding Service - \$650

Full Wedding Service – When I work with my couples I totally personalize my ceremonies just for you. I do work from a template that has just about all of the traditional wedding components in which we can omit, edit and include readings, vows, candle/sand/rope ceremony, ring and pronouncement.

I will provide a detailed questionnaire to both you and your fiancé that will begin to shape how I will incorporate your unique love story into your wedding ceremony. One of my greatest joys is telling the story of how you both came to this day and engaging your attendees (no boring service here!) in a heartfelt, entertaining, not too long, truly memorable service. All of the wording is tailored to your desire and with your approval prior to the big day.

When we finalize the ceremony, it will be completely outlined including choreography from guest seating/arrival to receiving line and well as your music selections which I will distribute to your wedding planner and all others involved in the ceremony (photographer, videographer, DJ, or Band). I have had great success with wedding planners and vendors who receive this document to ensure we are all on the same page resulting in a smooth running event. I also include all communications, unlimited editing/revising of the ceremony, and drafting original material for your ceremony.

In addition, on the day of your wedding, I typically arrive about an hour before your set time to marry so I can check in with you and your fiancé, ensure the ceremony site is set up the way you wanted, meet your wedding party and involved vendors to confirm we are all on the same page. If you feel you need a separate wedding rehearsal, please let me know and I will add in the Rehearsal Service charge. Please also add in \$30 travel time if you are over 1 hour away from zip code 01852.

Standard Wedding Service - \$350

The Standard Officiating Service is the same as the Full Officiating Service, but does not include me choreographing the wedding ceremony start to finish.

When I work with my couples I totally personalize my ceremonies just for you. I do work from a template that has just about all of the traditional wedding components in which we can omit, edit and include readings, vows, candle/sand/rope ceremony, ring and pronouncement.

Simple Wedding Service - \$175

The Simple Officiating Service is intended for those who wish to have a very short, simple ceremony without readings, candle/sand/rope ceremonies, or any choreography of the wedding service. On the day of your wedding, I typically arrive about 30 minutes before your set time to marry so I can check in with you and your fiancé. The entire ceremony may last for about 10 minutes. This service is only for those client's wedding services that are within 15 miles of Lowell. I do make exceptions, so please discuss with me as I would not like anyone to be without a service.

At Your Home Wedding/Elopement/Pre-Destination Wedding Service - \$100

I offer this service to couples who wish a very simply prepared ceremony, consisting of basic vows and pronouncement to satisfy the legal Massachusetts requirements. Please also add \$30 travel time if you are over 45 minutes away from zip code 01852.

Wedding Rehearsal - \$100

For those weddings in which a couple would feel more comfortable about having a wedding rehearsal of their ceremony, I offer to either completely run the entire rehearsal in which we would run at least three times – once as originally planned, second with any changes, and third to ensure that all changes are implemented and every person involved with your wedding ceremony is comfortable with their role. Or, I would follow directions from your wedding planner/coordinator to ensure a smooth running ceremony. At the wedding rehearsal, it would be a good time to pay the balance due and provide me with the wedding license leaving the wedding day with one less detail to take care of.
