Packages and Pricing

I used to have all kinds of different packages and pricing options, but I found that, regardless of how unique each ceremony was, most people wanted pretty much the same experience when it came to planning everything out. With that in mind, I streamlined my pricing, and the results are as follows. If you would like to have multiple meetings before the ceremony or if you have any special requests that are beyond my normal services, additional fees may be assessed.

The Basics

\$250

This includes an initial consultation to determine whether you feel I would be a good fit for your wedding, travel fees, sharing sample scripts via email, officiating the ceremony, and filing the completed license at City Hall.

The Basics + Rehearsal

\$300

This includes all of the above, and also a rehearsal before the wedding.

Payment may be in the form of cash, personal check, or credit card. Payment will be expected on the day the ceremony is performed.
