and thank you,

Allow us to send an unfeigned and sincere congratulations on your engagement! MORE INFO

OPEN CATERING

While the choice is yours, **we suggest you choose a caterer from our preferred list.**

We have carefully chosen our favorite catering companies that we feel create delicious food and deliver fantastic service during your event. You may bring in a vendor from your own resources. Our spaces either include a full-service catering kitchen for use by a licensed caterer and staff or catering tent.

BAR & LIQUOR

Every couple and family is different when it comes to the bar. Our venue is BYOB, meaning **you must hire a professional beverage company.** This assists in allocating your budget where it is most important to you with flexibility in choosing where you purchase from and how much liquor/beer/wine you want. All alcohol must be served by a TIP certified bartender with Alcohol Liability Insurance.

LODGING

Downtown Estes Park is only a 10 minute drive from our venue with a variety of hotels to choose from. Our lodging list consists of recommendations based on comments from our Cheley Colorado Camps families as well as ratings from Trip Advisor. There are many fine businesses in Estes Park and we encourage you to explore the entire Estes Valley.

EVENT INSURANCE

This is a very simple process. We require \$1 million of general aggregate and \$1 million per occurrence. We recommend going through a company called Wedsafe (typical cost is \$175).

ADD-ONS

BRIDAL SUITE PACKAGE | \$2,500

Pasture Place, our private bride's dressing lodge, is the ideal space for you and your wedding party. It's where you'll hang out with your bridesmaids and clink glasses of bubbly: the ultimate wedding pre-game event, filled with music, laughter, and maybe even a few happy tears. Pasture Place is the place to relax (as much as one can), get your hair and makeup done, and toast to the day's events before walking down the aisle.

Our **Bridal Suite Package includes** all of your wedding day essentials: comfortable indoor/ outdoor seating areas, full kitchen + dining area, laundry room with steamer, 2.5 bathrooms, beauty room with vanities, full length mirror, elegant decor, extra hangers + gown display hook, and champagne bucket.

TRIGGER BURRO PACKAGE | \$600

Looking for an eccentric and adorable statement to make your big day even more special? How about a visit from Trigger Burro! You and your guests will be greeted by our burro, offered deliciously cold beverages from their saddle bags, and granted a unique photo-opportunity.

Our **Trigger Burro Package includes** a handler, dressing the burro and/or baskets as requested, and two hours of service. We do not provide the beverages, rather we provide a one-of-a-kind service to carry them. Our baskets are equipped for the beverage of your choice as provided by the caterers, the bartenders, or the wedding clients.
