

## *Congratulations on your Engagement!!!*

Thank you for your interests in DESIGNS BY LADY VYE and our service prices. From micro weddings to grand luxury weddings - we have you covered!

We'd love to have an opportunity to connect with you - by phone or zoom, check date availability, discuss the services that interests you and your spouse, explain why we are the RIGHT CHOICE and provide a custom décor/rental quote for you (if desired). All of our services are separate so that you can hire us based on your needs. Just because we offer décor/rentals - we do not have to do it for your wedding; we work cohesively with other service providers.

Our Month of Wedding Directing packages (often referred to Day Of Packages) start off at \$1500; and goes up from there based on the scope of service.

For our Full Wedding Planning we recommend having a budget of at least \$200; per person; for example 100 guests/\$20,000, 200 guests/\$40,000. Please email us to obtain our full wedding brochure to explain our Wedding Package levels and rates.

We look forward to hearing from you!  
My team and I are looking forward to serving you!
