MEET JOHN

Hey now! My name is John, and I am the owner of JM Photography. It's crazy to think that 28 years ago, I started this business with my film camera. Over the years, I have been such a lucky guy to have clients who trusted myself, and my team, to capture details of and create beautiful works of art inspired by their love for each other. Located in Philadelphia, I have documented nearly 1000 weddings in Pennsylvania and New Jersey.

I take pride in the customer service that JM Photography offers our clients. With years worth of 5 star reviews and referrals, you can rest assured knowing that you will receive the upmost level of care from this team. We have you covered; from building a 100% unique wedding day timeline, completely tailored to you and your partners needs... to creating a personalized photobook that you and your future generations can look back on for years to come, the team at JM has your best interests at heart and we cannot wait to capture your love story!

M E E T Z A R A H

I'm Zarah, the partner and associate photographer of JM Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Reading, PA, I've been shooting weddings for over twelve years now. Photography is my dream job, and I am so blessed to have the opportunity to do what I love every day.

After graduating in 2012, I started documenting weddings of friends and family members to build up my portfolio. In 2018, I began working with JM Photography and never looked back! I have enjoyed my journey so far, and cannot wait to see what is ahead for me!
