Stone Garden Weddings

Welcome to Stone Garden

Whether you choose the gazebo overlooking miles of the Connecticut River or under the apple trees for a more seasonal touch, we have the perfect space for your ceremony and reception.

Stone Garden is located in Westmoreland, New Hampshire. Nestled on a beautiful bend in the Connecticut River, you will find yourself on a private landscape beyond compare. With views of Mount Wantastiquet and rolling hills, you become encompassed in Stone Gardens natural enchantment.

The wide lawn standing over the water's edge offers homage for an elegant outdoor ceremony and reception. Large enough to host weddings of up to 200 guests, the great lawn is the perfect space for your massive sailcloth tent.

Stone Garden's space also includes a small, but old and well cared for apple orchard. Each Spring these beautiful giants flower, offering a sweet scented blossom. In the Fall they fruit, providing a seasonal touch perfect for a small ceremony or cocktail hour. The lower meadow puts you and your wedding guest right on the water. It is the perfect space for photos and to catch the sunset in a Vermont river valley. During cocktail hour, guests can make their way to the Cocktail Garden for refreshers and appetizers. The Cocktail Garden is an outdoor space surrounded by flowers, with a rustic live edge bar and fire pit for a perfect night under the stars.
