All **JAG Production** jobs are filmed by professional cinematographers. Wireless microphones are always used to capture any sound bites that occur during the day. We love to capture the natural beauty of the day by giving our clients the space they need to organically create those moments.

Highlight Films come with 100% copyright licensed music. This film contains the best moments of the day all in one short film. A great film to share on social media, e.g facebook, vimeo, youtube, twitter

Length: 3-5 minutes

Feature Films are a great storytelling film. These bring you right back to the day, edited cinematic style, these films include readings, natural audio, copyright licensed music *Length: 10-12 minutes*

Ceremony Films include the ceremony starting from start to finish. The vows, rings, kiss, readings will all be in this film. *Length: TBD*

Reception Films are that party video you always wanted. These begin at your introductions and then capture you and your guest best dance moves. *Length: TBD*

Instagram Films are a short highlight of the wedding day designed to be shared on social media. *Length: 1 minute*

Elopement Package two hours of coverage, one shooter, comes with a personalized video. *Length: TBD*

PRICE: \$1200.00
