MEET ERIKA

Welcome to my photography world, where love, magic, and stories come to life. My name is Erika Diaz, and I am a storytelling wedding photographer with a deep passion for capturing authentic, emotional moments that tell a beautiful love story.

I believe that a great photograph is not just about capturing the perfect pose or the most beautiful scenery. It's about capturing the emotions, the connection, and the essence of the moment that will make you relive it over and over again.

My journey in photography began when I realized the power of storytelling through visual art. I found myself drawn to wedding photography because it allowed me to capture one of the most special moments in a couple's life, and preserve their memories forever.

I approach each wedding with a deep sense of respect, care, and attention to detail. I believe that every couple is unique, and I strive to get to know them and understand their love story before the wedding day. This helps me to capture the essence of their love in a way that truly reflects who they are.

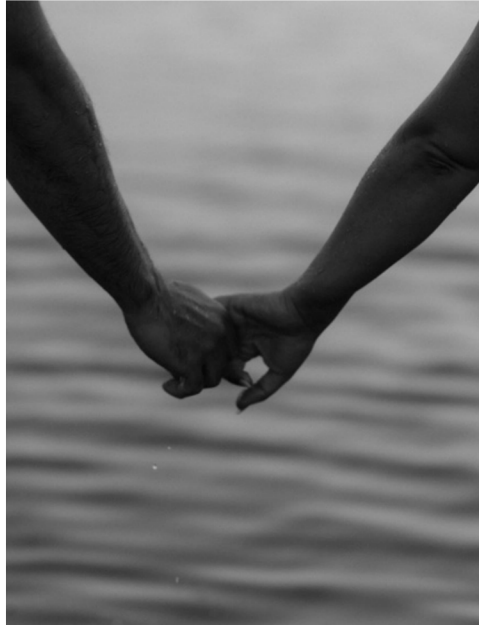

My style of photography is a combination of documentary and fine art. I love capturing candid moments and real emotions, while also creating stunning portraits that showcase the beauty of the couple and their surroundings.

My goal is to create a safe, nurturing space where you can feel comfortable being yourself and letting your love shine. I am passionate about creating a connection with my clients and becoming a part of their journey, not just their photographer.

I believe that every love story deserves to be told and celebrated, and I am honored to be the one to capture those moments for you. I would be honored to be a part of your special day, and to create images that you will treasure for a lifetime.

Thank you for considering me as your wedding photographer, and I can't wait to hear your love story.

With warmth and love,
Erika

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of my wedding collections come with a single photographer except my top tier collection, but you are more than welcome to add a second shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: yes! Most of my work comes from word of mouth and exposure so being able to share the magic we create together is part of the experience.

Q: Will our photos get featured in a magazine, blog or instagram?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry my two R5's, 50 mm lens, 35 mm lens, & the 24-105mm lens, among other items.

Q: Do you photograph destination weddings?

A: Yes! I've shot dozens of destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 30% non-refundable retainer & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding.
