# *Why choose ALENKA FILMS?*

- We are a female owned and operated business that values inclusion, transparency, authenticity, and equality for all.
- We are a small business, not a huge company that simply outsources shooters. With us you know exactly who you're getting - Alena!
- We provide a candid approach to wedding filmmaking, making sure that you feel comfortable in front of the camera.
- Alena has filmed over 200 weddings!
- All of our packages are 100% customizable.
- We provide quality films with a faster turn around time than others.
- We shoot all solo weddings with 2 - 3 top of the line cameras.
- Professional audio recording is always guaranteed.
- We are passionate about documenting the best day of your life!!
