Here is how we can assist you:

Choosing your Destination and Resort

We help you sort through destinations and which all inclusive resort would be right for you. Our goal--finding the perfect location for your dream wedding.

Choosing your Ceremony Date, Time & Location:

We will contact your resort of choice and secure your wedding ceremony date and time. The earlier you reserve this, the more options you have: example: location-- sunset or garden. The resort will forward a wedding contract to us, we will forward to you ... Let's review this together. We ask you to sign and return your contract to us, along with your deposit. This secures your ceremony date and time... You are set to get married!

Choosing your Wedding Package:

We will send you the wedding packages your chosen resort offers. Every resort has created wedding packages with set prices and inclusions. Resorts offer an "Extra's List" allowing you to customize your dream wedding. You have the option to select a Symbolic Wedding or a Legal Wedding. We will review the differences with you.

Connecting you with Resort Wedding Coordinators:

We connect you with the right person at the resort to keep communication of information accurate. Wedding Coordinators will help you with numerous details and decisions regarding your wedding
