

PACKAGES AND PRICING GUIDE

INTRODUCTION

We invite you to host your wedding celebration at The Waterfall Shire, a breathtaking idyllic expanse where nature's magic unfolds. At The Shire, nature is not just a backdrop but an integral part of our design.

Fallen trees transform into wooden decks, terraces, and staircases, while rocks birthed from the very soil emerge as steps, garden highlights, and mystical walls.

The end result is an oasis of lush greenery and luxuriant flora coupled with generous decks and intimate nooks. All awaiting to be filled with the festive sights and sounds of your much-anticipated gala event!

Steeped in nature's embrace, The Waterfall Shire offers more than just a location—it gifts an experience, a moment in time where dreams take flight and vows are whispered among ancient whispers of the trees.

Let the rhythm of the cascading falls and the soft rustle of leaves bear witness to your union, and allow us the privilege of turning your special day into an everlasting echo in the annals of The Shire's rich tapestry.
