

A romantic wedding photograph of a couple in a lush green field. The bride is wearing a white lace gown and a long veil, holding a large bouquet of peach and white flowers. The groom is in a blue suit with a boutonniere. They are leaning in and kissing. The background is a soft-focus landscape of greenery under a bright sky.

THE WEDDING EXPERIENCE

MEET ASHLEY

Hello Bride-to-be and Welcome! This is such an exciting time for you! My name is Ashley and I am the owner/lead artist for Rivers Light Photography! Because I believe that getting to know my clients is the #1 way to ensure an awesome experience, I want to tell you a little about myself! Here are a few things you should know!

- On September 9, 2016 I married David and I fall more in love with him each year!
- David and I enjoy family game nights, bingeing our favorite tv series, eating great food, exploring parks, and visits to the beach.
- Outside of photography, I find a lot of joy in doing home projects and turning our house into a home through decorating.
- We live in Houston, Texas but we love to travel! David prefers the mountains while I prefer the beach.
- I've always been captivated by people's stories and it is what inspired me to graduate from University of Texas Arlington with a B.A. in Journalism.
- I photograph 15-25 weddings annually. Taking on a limited number of weddings allows me to focus on providing my clients a wonderful photography.

Now that you've gotten to know us a little bit, turn the page to read more about my "Wedding Experience"!!

*Xoxo,
Ashley*

THE Wedding EXPERIENCE

MY PHILOSOPHY | I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as a wedding photographer is to make this one aspect of the planning process simple.

Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is to not only capture memories for my clients, it's to create an experience that they will never forget.

THE PROCESS | One way I ensure that our brides and grooms enjoy the BEST photographic experience possible is through forming a relationship with them. I try my best to make sure that all of my couples are the PERFECT fit for me before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them!

After booking, I love getting to know my clients through an **ENGAGEMENT SESSION** that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends and that creates a safe and relaxed environment for photography! Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about **THE WEDDING EXPERIENCE!**

WHY INVEST?

Your first decision as an engaged couple is to set priorities for your wedding planning. You have to decide what you value most. Is it the dress? The food? The Venue? As a bride AND photographer, I believe that couples should make their photography a top priority. After the big day is over, you will leave your reception with a spouse & your pictures.... that's it! All of that planning and preparation is over in a matter of hours! So if you're choosing to invest in high quality photography, those images deserve a classy, elegant home after the wedding. It is a keepsake that you will be showing your children and grandchildren one day.

Frequently

ASKED QUESTIONS

ENGAGEMENTS :

I book engagement sessions at least two months in advance and love helping my couples plan out their dream session! These sessions typically last about two hours and I encourage my couples to bring at least 2-3 outfits.

DIGITAL FILES :

I average 75 images per hour that I'm shooting. I love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want.

COVERAGE :

I am often asked if 8 hours is enough time to capture the full wedding story and the answer is yes! My main goal right now is securing and saving your date. You can always add additional coverage as we get closer to the big day and we have a good idea of your timeline.

SHOOTING STYLE :

I love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I teach my couples how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

BOOKING :

Once I have answered any questions you may have and you have decided that the Wedding Experience is exactly what you're looking for on your wedding day, the next step is a booking proposal. I will create an online proposal that will walk you through the package and when you're ready you can save your date by signing your contract and paying your deposit online.

Thank You

I'm so glad you contacted me! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be fabulous! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and I look forward to hearing from you!

Love, Ashley
