

Your destination wedding will be framed by beautiful mountains and lush green stream bottoms. Large boulder outcroppings and stands of Aspens make for great backdrops to your wedding photographs. Everyone will know you chose a special place for your big day. The ceremony site looks over this expanse and lets you and your guests say, "Now this is a Montana wedding!"

Our wedding package includes two nights lodging in our Lodge, three cabins, and yurt (beds for 40 people), use of the venue, and tables and chairs. Instead of a rush to set up and tear down, you get to experience the Montana mountains from Friday afternoon through Sunday morning. For summer 2024, the package price is currently \$6,200. For weekday weddings we can do custom packages and pricing. We serve all beer and wine at the reception as we have a Montana Beer and Wine License and the price of the drinks served is not included in the price. You may bring in food, music, and other vendors of your choice. You are welcome to have the rehearsal dinner at the Lodge or Pavilion.

If this sounds like the place where you want to have your wedding, email lauren@homestakelodge.com or call us at 406-284-1725.
