ALACARTE

WEDDING DJ PACKAGE

\$995

Consistently our most popular and best valued package! Up to 6 hrs of time, a great DJ & Emcee, our signature covered speakers, wireless mic for toasts/announcements, dance floor lighting, and 8 LED up lights for decor/ambient lighting. Once booked, you get access to our online planning tools, our app, and our in-house planners!

DJ + DRUMMER PACKAGE

\$1995

The newest in Wedding Entertainment - blends the feel and fun of live music, with the flexibility of a great DJ. You and your guests will walk away from your wedding with tired feet (from dancing)!

WEDDING PHOTOBOOTH PACKAGE

\$895

Built and resourced for weddings, this package has everything you need for a great PhotoBooth experience at your reception! Choice of "open air", or an enclosed booth. Inclusions: 5 hrs of time, customized photo strip graphics, an attendant who will man the booth and build a memory book on-site, back drop options, props & digital images.

WEDDING VIDEOBOOTH PACKAGE

\$1095

Video Booths are the "next level" in photo booth entertainment - taking live video on site and replaying it in "super slo-mo". Social sharing from the Kiosk allows guests to upload to their email / social media. Guests will also still be able to pic still photos to print and we will still build a memory book, include props, etc.

CEREMONY SOUND (SAME SITE)

\$300

Today's couples are customizing their ceremonies to be a reflection of them as a couple, and we have developed a great solution for sound for these special occasions. Including a sound system, lapel mic for the officiant, sound tech, 1 additional hour of time, and planning.

CEREMONY SOUND (REMOTE SITE)

\$400

Our extensive experience with weddings in many different locations allows us to help make our clients' wedding visions come to life! Has the same inclusions as the same site package, and a dedicated sound tech for the ceremony site in addition to the DJ.
