

GASLAMP FLORAL & EVENT PRODUCTION

FLORAL DESIGN

We offer custom pricing for each event because each event is different.

We don't have "packages" for our florals because we want your day to be unique and not "cookie-cutter".

That being said – here are some basic prices to show what you can most likely expect:

Bridal Bouquet: \$195 - \$275

Bridesmaids Bouquets: \$65 - \$125

Boutonnieres / Corsages: \$15 - \$30

Ceremony Arch Florals: Typically start around \$300

Centerpieces: Typically run \$85 - \$300

On your custom proposal – you will also see the tax and labor / delivery fees included in your total price.

WEDDING PLANNING & COORDINATION

We are also happy to provide Wedding Planning & Coordination. (please inquire for more detailed package information)

Our packages range from Day Of Coordination to Full-Service Planning

Prices range from \$1250 to \$5950+

**Discounts are happily given on coordination and planning packages when Gaslamp Floral & Event Production is also booked for florals as well.*
