WELCOME.

I am so excited that you feel some level of connection to my work and that you are considering having me document your big day. That is a major compliment that I do not take lightly... so thank you! I am excited to share with you everything I have to offer.

Before we make it official, it's important that we make sure we are a match. I don't want to be just another vendor. I absolutely adore my couples and want to get to know your love story and make sure you are 100% comfortable with me so that I can tell that story in the most genuine way. I want you to look at your photos and videos and remember exactly how you felt that day.

FAQs

DO WE NEED A SECOND PHOTOGRAPHER?

Second photographers are wonderful for better time management since you can have a photographer in two places at once. They are also helpful in capturing multiple angles, focusing on your guests and details, etc. While they are super helpful, I don't think they're entirely necessary for smaller weddings.

WHEN WILL WE RECEIVE OUR PHOTOS?

A link to your online gallery will be sent within 3-5 weeks. I know it's difficult to wait, so I always try to deliver on time or early and often share a sneak peak. Couples sessions can expect photos in 1-2 weeks.

HOW MANY PHOTOS CAN WE EXPECT?

Every wedding varies depending on how much time we have for portraits, the number of guests, length of ceremony and reception, etc. You can expect 50-100 photos per hour of coverage time.

DO YOU TRAVEL?

I do! I absolutely loveeee traveling and get so inspired getting to see some new scenery. Reach out for a custom travel quote.

CAN WE HAVE THE RAW / UNEDITED PHOTOS?

Always, always, always and forever, no.

WHAT DO WE WEAR FOR PHOTOS?

Above all else, you want to feel good so choose something you feel confident in because that will reflect in pictures. You also want to dress to your personality, the style you're going for and our chosen location. Generally, it's best to avoid patterns and bright/bold colors. Soft and more neutral colors are timeless and will mirror in your skin tone. It's a bonus if you choose something flowy or with movement as that will make for some really beautiful photos if we get a little breeze! Let me know if you would like me to send some inspiration.

DO YOU HAVE INSURANCE?

Yes. Let me know if your venue requires this information and I will make sure they get what they need.

IF YOU FIND YOU HAVE ANY OTHER QUESTIONS, I'M HERE!
