## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers/cinematographers?

A: With years of training under our belt, we know how to pose and guide clients to make them feel relaxed while looking their very best. We use natural lighting as often as possible and make sure our sessions are intimate, comfortable & fun!

Q: What is your turnaround time for photos & video?

A: 2-4 weeks is the typical timeframe we aim for, however during busy wedding seasons it can take up to, and no longer than, 90 days to receive all of your photos & videos!

Q: How much is raw footage for video?

A: Our raw footage is \$599. This gets you all of your clips recorded throughout the day, shipped to you via hard drive. This is an option you can add up until the end of your contract.

Q: Can I upgrade my package at a later time?

A: Yes! You can upgrade your package up to a week before your event!

Q: Do you work with payment plans?

A: Yes we do!

Q: Will you edit my images to hide any unwanted spots, wrinkles, etc?

A: We do basic edits for all of your photos, however, if there are specific edits you want, these will be charged according to the number and complexity of edits. We offer highly retouched photo services!

## WE HAVE ANSWERS

---

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: If I book my engagement shoot first, and then decide to book your services for my wedding day afterwards, do I get a refund?

A: If after your engagement shoot you decide to book our services for your wedding day, we will discount the cost of your engagement session from your total balance!

Q: What equipment do you use?

A: For photography, we shoot on a full frame Canon R6, with multiple professional lenses to capture each part of the day accordingly. For cinematography, we use a Netflix approved Black Magic 6kPro Cinema Camera, along with cinema video lenses.

Q: Do you capture destination weddings?

A: Yes! We've shot dozens of destination weddings and are more than happy to create a custom wedding collection to suit your travel needs.

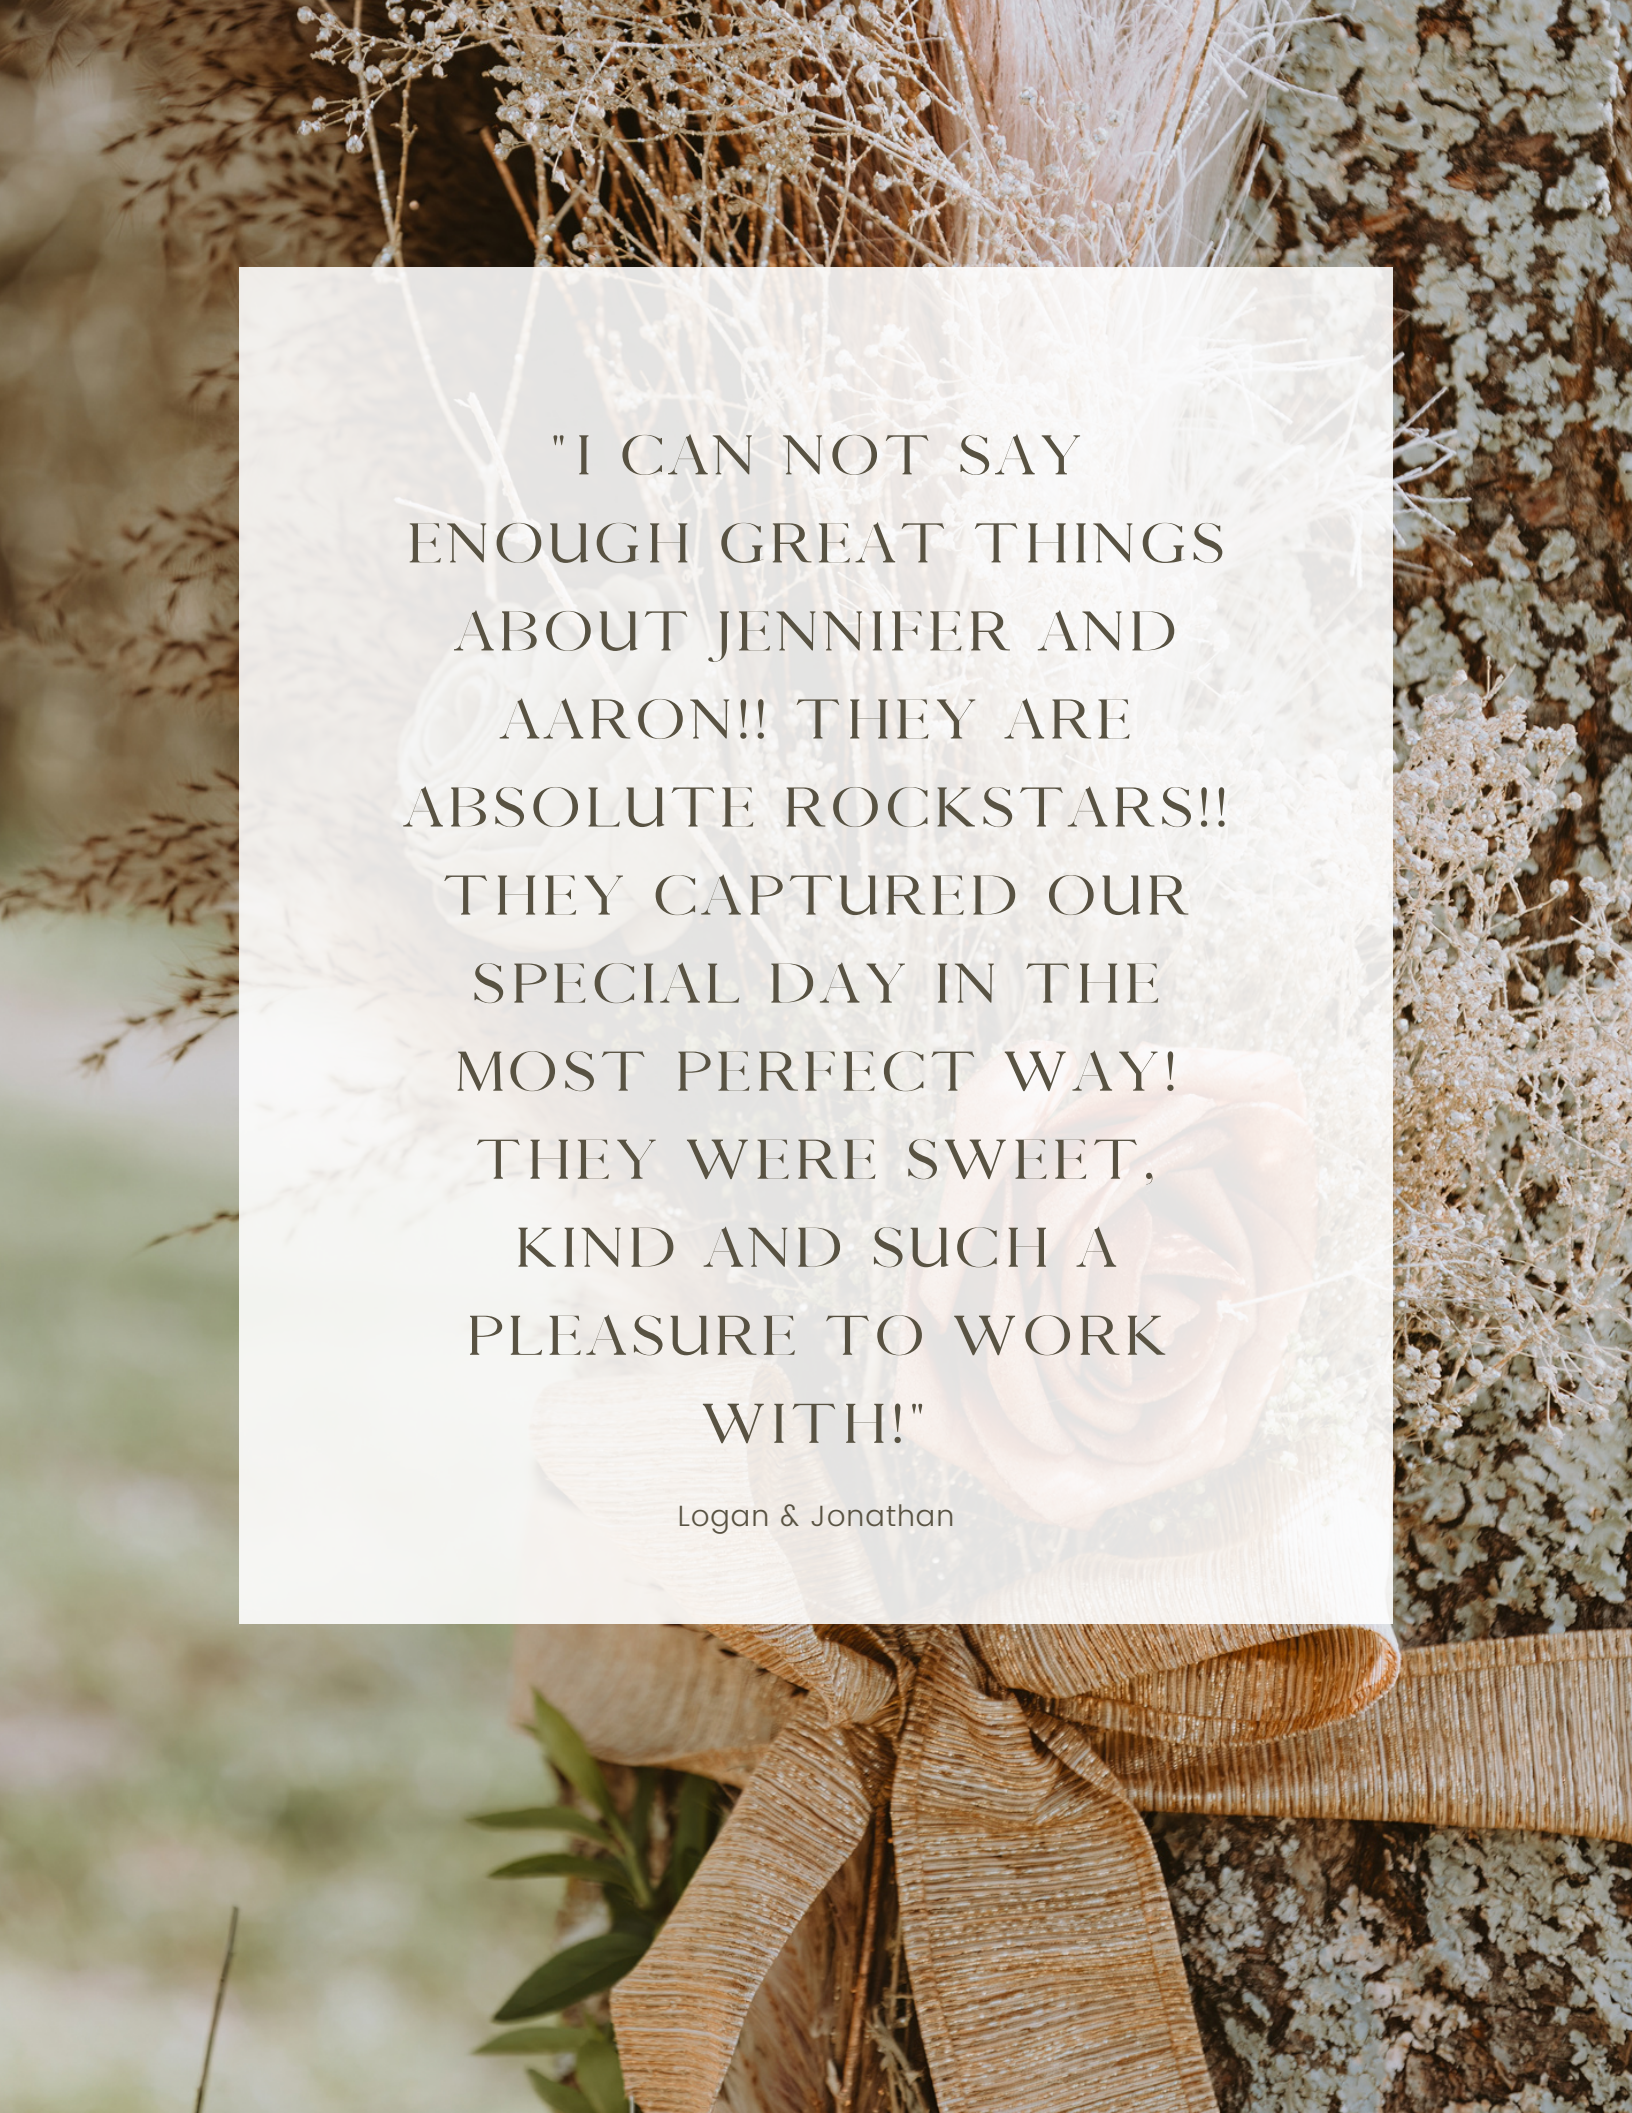

Q: Do I get a say in the video editing process?

A: Yes! We work with your vision and we allow one revision per video.

Q: How do we reserve our wedding date?

A: A 50% non-refundable deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding.
