**Wedding Highlights Film** - A highly stylized, fully cinematic 4-6 minute video set to music that will capture all the important moments of the day including preparation, the ceremony and the reception. This will include background music and also sound bites.

**Feature film** - Ceremony and reception Footage from 3 HD cameras will be pieced together to produce a beautiful wedding film. Usually 40-70mins long. it will have chapter breakdown for easy viewing.

**Delivery** - We will deliver the finished wedding film on BluRay Disc, the number is dependent on package you choose. The Highlights Film will also be uploaded online to share with family and friends on social media sites.

**Equipment** - 2 HD Cameras at all times. During the ceremony we shoot with 3 HD cameras to make sure we don't miss a single moment. Audio is captured externally using 3 different sources to guarantee perfect audio as much as we can every time.
