

UR-Take Pricing

Service and Activation Fee

\$349/event

This fee includes the setup, activation and operation of the UR-Take service. Rental of networking equipment and display devices are included as part of this service fee.

Complete Setup, Monitoring and Tear Down

Included

This includes approximately 2 extra hours of service for setup and tear down. UR-Take staff is onsite during the entire session and provides complete operations and monitoring of your event.

TV Monitor or HD Projector Rental*

Included

If your vendor does not provide their own Audio Visual (AV) support, UR-Take can provide a High Definition (HD) Projector OR a 55" TV monitor for viewing purposes! Note: A projection screen is NOT included as part of the service and must be provided by the venue.

Unlimited HD Pictures Taken by Your Guests

Included

Your guests are free to take unlimited pictures with our UR-Take cameras! Each shared picture is saved, and these high definition pictures are provided to you after the event! You'll receive both a UR-Take USB drive containing the pictures as well as a secure link to an online repository of your pictures!

Built-in Slideshow for Personal Pictures

Included

We'll incorporate your personal pictures into the UR-Take slideshow so everyone can view them along with the pictures they take!

Instruction Sheet for DJ/Emcee and Table Cards

Included

An instruction sheet is customized for the DJ/ Emcee to read to your guests instructing them on the use of the UR-Take cameras. Each table is also provided with an instruction card accompanying the camera with easy to follow instructions.

Planning Session

Included

A one-hour planning session is scheduled with you to go over the details and plans specific to your event.

* UR-TAKE DOES NOT PROVIDE A PROJECTION SCREEN OR PHOTO BOOTH PROPS WITH THIS SERVICE.
