What can be decorated?

The sites are spectacularly “decorated” by Mother Nature, (with our fantastic crew’s maintenance and horticulturists’ guidance) but if you wish to enhance, please do!

The site is equipped with interior lighting, (Cabin chandeliers are on a dimmer) and exterior landscape lighting consisting of rope lighting and Edison bulbs in the tent, rope lighting on the porch and all structures (gazebo, arch & pergola) in the Cabin garden. No extra lighting is needed, but, if you wish to add more, please do. You will need up to a 10’ ladder that you provide yourself.

The park has restrictions on open flames including, sparkler, floating lanterns, fireworks, and candles. If you are using candles they must be enclosed.

Flower petals are not permitted- they are super time-consuming to remove. We encourage bubbles and stemmed flowers.

Is there a suite on site?

The Cabin at Hilltop does not have a suite, the wedding party arrives ready to walk the aisle. Local hotels work with our couples providing discounts, (all within six (6) minutes of the park), shuttles are recommended, school buses become the party bus!). See our vendor list for lodging.

Unfortunately, no we must avoid fire hazards at the park and cannot chance possible damage from smoke machines.

Our Attendant is on site before your arrival preparing the site then staying through your reservation overseeing the grounds while assisting in making your day stress-free. At the end of your reservation your catering and bar vendor(s) clear and clean up after themselves and once everyone leaves our Attendant cleans the site. Our Attendants are not responsible for wedding planning or decorating. You are responsible for setting up and taking down decorations within your time frame.

Is the structure air-conditioned and heated?

The Cabin is air-conditioned and heated. The tent is heated.

What is the plan for inclement weather?

We all want your ceremony outside, but if at your ceremony time you need cover- You are married in front of your sweetheart table with your guests at their dining tables under the shelter of the tent. This is what we recommend.

However, if your group count is under 100 guests, you can choose to be married either under the tent or in front of the fireplace inside the Cabin.
