## FAQ

---

### What time should I (bride) be ready?

If you are **not** doing a First Look, you should be dressed minimum an hour prior to ceremony  
If you plan to do a First Look, you should be dresses minimum two hours prior to ceremony

Please Note: If you plan to do First Look (Dad, bridesmaids, etc) please add 15 minutes for each

### Do I need a second photographer?

*We highly recommend having a second photographer for several reasons.*

1. Coverage of groom getting ready
  2. Grooms solos, individuals with groomsmen and family
  3. Coverage of empty & detail shots at ceremony site
  4. More coverage, various angles during ceremony & reception, more candid
  5. Assisting lead photographer with family photos
  6. Coverage of empty & detail shots at reception site
- Overall better coverage for the whole day.
